

**March 2018**

## **NEWSLETTER**

Parent Teacher Conferences will be held on Thursday March 15. There will be sign-up sheets posted by each classroom and it is a first come first serve basis. The teachers have been preparing art projects and other items for you to view at your conferences. The conferences are not required, but the teachers look forward to meet with you if you choose to sign up.

If you have any questions and/or concerns, please feel free to talk with me.

Thank you,

*Shanna Hanson*

Director

## **THE INFANT ROOM**

Hello Parents!

The infant room is ready for spring. Our friends are growing and learning every day. They are standing up, rolling over, and pulling themselves up on things.

We are excited for warmer days! We had fun making Valentine Cards for all of you. We look forward to what the rest of the month will bring. If you have any questions, feel free to ask at any time.

Thank you!

Miss Ward & Miss Moon

## **THE TODDLER ROOM**

Hello Toddler Families!

Can you believe spring is almost here! I know we are all looking forward to the warm spring weather!

This month we have focused a lot on our colors, shapes, and numbers. We read books, do flashcards and sing songs in relation to all of the above. We have not been able to get outside as much this month due to the cold/ice, but still keep in mind to send all winter outdoor items for when the weather allows us to go out! The kids enjoyed our Valentine's party, and they received plenty of treats. It was fun making Valentine's projects as well! Along with working on learning their colors, numbers, shapes, we have them doing face/name recognition so all of the children know their classmate's names. It is very cute to hear how some of them pronounce each other's names.

Also, parent-teacher conferences are March 15<sup>th</sup>. We will have a sign up sheet hanging up outside the classroom sometime this week.

As always if you have any questions let Miss Kinserdahl or Miss Julsrud know!

Miss Julsrud & Miss Kinserdahl

## **THE TREE FROG ROOM**

Hello, Tree Frog families!

We are finally starting to see some warmer weather! It has been a bit tough on the kids with it being so cold lately. However, we have been pushed to use our creativity to create new games and projects to keep our little friends busy, which has been fun for everyone.

This month Brighton will be moving up to our room!

We are looking forward to our parent-teacher meetings coming up in March (not required, but recommended 😊) so be watching for the sign-up sheet, as it will be posted soon.

Congratulations to Sid, Adi, and Reed for being fully potty-trained!

If you ever have any questions or concerns, feel free to talk to Miss Ferguson, or myself, you can leave us a note.

Mrs. Markofski & Miss Ferguson

## **THE TIGER ROOM**

Greetings from the Tiger Room!

We have had lots of fun this winter season, from playing outside in the snow to doing many fun crafts! We cannot wait for spring to see what the warm weather has in store! Soon warmer days will come!

Miss Pientok

## **THE PENGUIN ROOM**

Dear Penguin Parents!

February was fabulous! We celebrated Quinet's 4<sup>th</sup> birthday, and Isla's 5<sup>th</sup> birthday – Happy Birthday Girls! We also had lots of fun learning together...

We began the month learning about "Transportation." We discovered all sorts of different modes, and we had fun pretending to be cars, buses, airplanes, boats, firetrucks, motorcycles, and more! We also learned about safety and rules of the road.

Next in February came our Valentine's holiday! During the week, we learned different ways to show others we love them, and practiced describing reasons why we love them. We also played a fun search-and-find game with hearts. We ended the week with a Valentine's extravaganza party. What a great memory!

In February, we also spent some time learning about "Buildings." We learned that buildings have a roof, walls, floor, door, windows, and more! The penguins drew pictures of their own houses, with lots of detail. We also worked together to build towers and castles.

We finished the month of February learning about our "Favorites." The penguins wore their favorite colors, brought in their favorite stuffed animal, and read their favorite books. During the week, I also read the penguins some of my favorite Bible stories. We discovered that each of us has different favorite things and that makes us unique and special!

As always, we are continuing to prep for kindergarten. We finished our Mid-Winter assessments and now are focusing on letter sounds, teen and 10's numbers, and writing. I look forward to sharing their progress with you at Parent-Teacher Conferences!

More fun to come in March! 😊

Love ♥,

Mrs. James
