September 2018

NEWSLETTER

Hello Parents!

We have our parent teacher conferences scheduled for Thursday September 20th, 2018 4 pm – 6 pm. There is a sign-up posted outside each of the classrooms and as always first come first serve.

I will be planning the Hidden Trails Corn Maze field trip beginning of October so please watch for that memo.

A memo will be sent out soon but I want to let everyone know, Monday Sept. 10th through Tuesday Sept. 18th the entrance driveway will be closed due to new cement being poured. We cannot drive through the front parking lot so all traffic will be in and out of the exit driveway for that time. Please watch for vehicles while entering and exiting so we don't have any accidents.

The new addition is due to be complete October 23rd, which is right on schedule

☺ We are very excited to utilize the new facility!!

Thank you,

Shanna Hanson

Director

THE INFANT ROOM

Greetings Parents,

It has been a great summer. We cannot believe it is almost over. The babies are looking forward to fall.

There has been a lot of movement with the Infants. Some of our friends are crawling, pulling themselves up, and rolling over. They like playing together!

We are looking forward to what fall will bring us. We are super excited for the new addition to be done. Feel free to ask questions!

Thank you!

Miss Ward & Miss O'Laughlin

THE TODDLER ROOM

Hello Toddler Families!

August has been a busy month for the Toddlers. We have been doing water play when able, practicing our color flashcards at least once a day, and doing all kinds of cool projects.

We have also been working on using our words when dealing with conflict among our friends. Our friends are making great progress on their vocabularies!

The toddlers have also seen some changes. Ellie moved up and we gained Dane. We will miss Ellie but know she is not far away. We are very excited to have Dane with us.

The end of summer is near so please send a light jacket to have on those chilly mornings.

Any questions, just ask. 😊

Sincerely,

Miss Julsrud & Miss Kinserdahl

THE TREE FROG ROOM

Dear Tree Frog families,

We ended August with our final day of water play, and of course, the kids had a blast! We'll miss you, Summer!

We will be having our Fall Parent/Teacher conferences this month, so you will see information regarding them being posted.

As the kids begin to notice the seasonal changes around them, we wanted to let you know some of the physical changes happening as well:

Firstly, the construction project will be drawing to a close within the next month or two, and once that is completed, the rooms we are in with the kids will be moving to the newly built area.

Secondly, Miss Ferguson is starting school this first week of September! We are so excited for her; she was inspired by her work here to get a degree in Early Childhood Education! She is still in the Tree Frog Room, but will be part-time. Be sure to congratulate her on taking this new step!

Thirdly, this brings in Mrs. Gonzalez. Mrs. Gonzalez has been getting trained in our room, and you will see her around a lot more in the future. She is wonderful, and so kind - Miss Ferguson and I are very glad to have her. 😊

Finally, I am going to be leaving the daycare to be at home with my baby. We are transitioning this by having me go more part-time over the next month. I will be leaving at the beginning of October, as I'm hoping to be a part of the pumpkin patch visit with you all at that time. I have absolutely loved this job and these kids - the ONLY reason I'm leaving is to stay at home with my child. It has been an incredible privilege to be with your kids - to see them start out (sometimes still learning to walk) when they come to the room, to then watch them learn to communicate, teach them to develop friendships, eat, sleep, put on their shoes, use the restroom, and develop independence in general is amazing. Even in the hardest moments, there is always some fragment of growth, whether it has been on my side, or theirs. Thank you, for allowing me to be your child's teacher.

You will be getting more information and updates on what has been mentioned, I just thought it would be helpful to know as soon as possible. The kids are very smart and can sense when things are changing - big changes like these can cause abnormal behaviors, as they process their surroundings.

As always, if you have questions, concerns, or comments, be sure to let us know.

Mrs. Markofski & Miss Ferguson

THE TIGER ROOM

Hello from the Tiger room!

We are sad to say see ya later to summer but are very excited to say hello to fall. Some of our friends are moving up to the penguin room. We are sad to see them go but are excited for the new friends moving up. We have had lots of fun with water play this past month. All of the swimwear has been sent home. We have been and will continue to work on keeping our hands and bodies to ourselves. We are still working in identifying our written names. Don't forgot to sign up for parent teacher conferences on the 20th. Thanks for checking in.

Mrs. Garcia and the Tigers

THE PENGUIN ROOM

Dear Penguin Parents,

August was awesome! We celebrated Noelle and Brayden's birthdays and ended the summer with a bang!

First in August, we learned about pets. We learned the difference between pets and wild life and learned about the responsibility of taking care of pets. We also had visits from Miss Julsruds's dog, Frank; Miss Fergusons' dog, Eugene and my two dogs, Onyx and Polly. The penguins loved seeing the dogs in person!

In August, we also learned "Little Guys" in the Bible who did big things for God. We read about David defeating a giant, Josiah re-building God's temple, and Esther saving God's people. The penguins learned that if they obey and trust God they could do big things too! We continued August learning about creeping bugs and flying bugs. We learned about ants, spiders, caterpillars and butterflies, bees, and more! The penguins enjoyed reading library books about these insects – and even seeing some outside!

We finished the month of August saying goodbye to summer and goodbye to our friends going to kindergarten and preschool. Jakaylah, Celeste, Quinet, Daniel, Abrahm, Lucas, Jonathan, Paxico, and Noelle will be dearly missed, but a new adventure awaits them – and we could not be more excited about that!

We are also excited about our new adventure about to begin in the penguin room! Preschool here we come!!

Love,

Mrs. James
