THE INFANT ROOM

Hello Parents!

Fall has arrived so fast. The infants are enjoying the fall weather. We are looking forward to doing some fall art.

We wanted to let you know that Miss Ward is leaving the center. The Infants are on the move. There are some that are pulling themselves up, crawling, rolling over, and trying to walk.

We love watching them grow and learn new things. We were happy to have Logan join our room. We are so excited to see what fall has in store for us.

If you have any questions, please feel free to ask.

Sincerely,

Miss Ward & Mrs. Culligan

THE TIGER ROOM

Greetings from the Tiger Room!

We are excited it is fall. We are ready to enjoy all the fall activities we can. Please bring warm clothing such as a sweatshirt or a jacket for when we go outside to enjoy the crisp fall air. When we are outside, we are learning how to play tag. We are also working on playing soccer and taking turns. We love climbing, running, and being crazy outside. In the class room we have gotten rid of stations and are having open play. We are working on developing a nature corner in the classroom so we can safely explore and imagine with some of God's creations indoors.

October 5th is our field trip to the corn maze. If you have not signed up, please do so. It is eight dollars per person. We ask that chaperon arrive at 8:45. If you have any questions or concerns please reach out to Miss Hanson or Mrs. Dupey.

If you have any questions or suggestions for the Tiger room, feel free to reach out to me. We are a team working together to teach and inspire the Tigers. Thanks for checking in.

PENGUIN ROOM

Dear Penguin Parents,

September was splendid! We celebrated Morgan and Bennett's birthdays, and were happy to welcome them – as well as Ayla – to the Penguin Room!

In September, our Preschool program officially started for another school year. I have no doubt this will be the best year yet!

We began the month of September learning about going "Back to School." We talked about the rules of school and how to be kind to others at school. We also learned that parents' love goes with us everywhere – even at school. We read "The Bernstein Bears Go to School," "Peter the Cat: Rocking in My School Shoes," "Rainbow Fish," and "The Kissing Hand."

In September we also learned about fall Sports. We learned all about soccer, football, and baseball, and learned about working together on a team. The Penguins had fun making a painting by rolling different size balls and marbles in multi-colored paint! We read, "Can I Play Too?" "My First Soccer Game," and "Peter the Cat: Play Ball."

We continued the month of September with Crazy Dress Up Days! The Penguins were so silly with Animal Day, Sports Day, Pajama Day, and Hat Day. The Penguins also made crazy art with stickers, stampers, and glitter glue. We read some of my favorite crazy stories including, "A Funny Man," "Too Many Carrots," and "If you Give a Moose a Muffin."

We finished September learning about Apples. We learned the parts of apples, colors of apples, and how apples grow. We also tasted different flavors of apples and tried apple juice. The Penguins stamped apples in red, green, and yellow paint to make an Apple Print picture. We read, "Little Critters" The Fall Festival," "Franklin Plants a Tree," "Apple Core," and "Fancy Nancy: Apples Galore!"

We had so much fun learning and playing together this month! More to come in October...

Love,

Mrs. James
