NEWSLETTER

Welcome to September COTL families! We appreciate your continued understanding with wearing a mask and temperatures being taken as this policy will continue through the end of the year, but most likely through Spring of 2021. It is not the most convenient thing to have to do but it is what needs to be done at this time. We will continue to be diligent and do what we know to do to keep your children healthy in a loving and caring environment 😊

If you have any questions or concerns, please feel free call or e-mail any time.

Thank you,
Shanna Hunter
Director

THE INFANT ROOM

Dear Parents!

I hope summer has gone well and everyone has kept safe!

We are all super excited to see our center grow! We have now two infant rooms!!
It is such a blessing to see each baby grow and develop every day.

Looking forward to what Fall has to bring.

Sincerely,

Miss Foster

THE INFANT ROOM-2

Hello Parents!

We are very excited to announce that we will be gaining two new friends this month! With the heat wave coming to an end we are looking forward to getting back outside and enjoying our walks. In August our favorite activities were reading books, playing with shakers and exercising our muscles in the jumpers. We cannot wait to see what this month has in store and we hope you all have a great September!

Mrs. Holmes & Miss Miller

THE TODDLER ROOM

Hi Parents!

We have been having lots of fun activities in the toddler room. We have been painting and coloring. We got some new toys in our room so that has been very exciting!

We continue to work on colors and shapes every day!

Thank you!

Miss Krogan

THE TODDLER ROOM-2

Hello again!

It always seems like the months fly by! This month has especially flown by because we have been having so much fun in our classroom! We have loved all our new toys, but our favorites are the balls and blocks!

It has been a hot month, so we are looking forward to spending more time outside on walks and the playground as it cools down! This month we have spent a lot of time practicing sharing and saying new words. It has been a fun month and we cannot wait for the next!

Miss Fox

THE TREE FROG ROOM

Hello Tree Frog Families,

Welcome to September. August was fun! We had lots of fun working hard on learning our colors. This month we will continue working on our colors and names. Just a reminder, now that the weather is getting cooler in the mornings, please bring a light jacket or sweater. As always, if you have any questions or concerns, feel free to talk to Miss Miner or myself.

See you around!

Miss Anderson & Miss Miner

THE TIGER ROOM

Dear Tiger Parents,

We have had a great summer learning about eating, insects, and practicing our manners. The Tigers are getting very good at their “please, and thank you’s!”

We said good bye to Ellie as she turned four and moved up to the Penguin Room. Happy Birthday and Congrats Ellie! I am very proud of how far you have come!!

With summer coming to an end, the Tigers will be focusing on letter and number flash cards. Our goal is to know the alphabet (upper case) by Thanksgiving.

Miss Thomas

THE PENGUIN ROOM

Hello Penguin Families,

I hope you all have been enjoying the summer. August has been a busy month for the Penguin Room. We had to say goodbye to our friends Brighton, Elise, and Bruce. We will miss them but wish them good luck with their new adventures. We get to welcome Ellie to our class.

We started the month by learning about "Nutrition and Exercise." We talked about several different foods that are good for our bodies. We also learned about the vitamins and minerals found in food. The class enjoyed trying different kinds of exercise. Some of our favorites were soccer, catch, and tag. We also learned about "Insects." During outside time the children chased and explored grasshoppers. We noticed that grasshoppers are very good at camouflage. The last week of the month we had adventure week. We took nature walks, made art projects, and discovered new ways to play.

Next month we will be starting preschool. More information will be coming soon. If you have any questions or concerns, feel free to ask me or contact the office.

Thank you!

Miss Ferguson
