JUNE 2021

Summertime is here! All of the toddler through 4-5 year old children have been enjoying outside time due to warmer weather. Since it has been so nice, the 2 year olds have started playing on the large playground out back and are loving it! Shortly we will be incorporating water play so be on the lookout for notes from your child's teacher regarding swimwear and a towel. As always your children are a joy to have as part of the COTL family! I am thankful you put your trust in us to care for your children ☺

If you every have any questions or concerns, please contact me via email or phone call at the daycare any time.

Thank you,
Shanna Hunter
Director

THE INFANT ROOM-2

Hello Parents,

Thank you all for being so cooperative this past month. May has definitely brought some changes to the infants and we are hoping June will bring some normalcy back.

While it has been fun getting to know all the infants in daycare I know Miss Weiske misses them and is glad to have them back.

We are looking forward to getting to enjoy the outside more and love seeing all your kids grow and learn each month. Hope you all had a great May and enjoy your June!

Mrs. Holmes

THE TODDLER ROOM-1

Hello parents! This month has been a great month for our toddler room! We have had some friends begin walking and talking more! We did have to say goodbye to one friend, Hattie, as she turned 2 and will now be in the Tree Frog room! With Hattie moving up, we have welcomed Liv into our room!

We have been working on animals/animal sounds, colors and names!

With the weather getting warmer, please feel free to send any hats to wear outside!

We also have some new bins located on our shoe/coat/bag rack! These bins are going to be used for baby food, formula, extra sun hats, extra shoes, and any other items like that, that the kids bring in to save some room in our classroom! Please let me know if you have any questions about anything! :)

Thank you,

Miss Krogan

THE TODDLER ROOM-2

Hello parents!

This last month in the Snail Room has been exciting. Three of our friends turned two and moved up to the Tree Frog Room! We already miss them so much!

We have been learning so much in this last month. We have all been starting to talk a lot more, and some of our friends have said each other's names for the first time. We have been learning animals and the noises they make, as well as learning some songs. Some of our favorite things to do in the Snail Room are look at books, build with blocks, and do bubbles.

Hope everyone has a great June!

Miss Miner

THE TREE FROG ROOM

Greetings to the Tree Frog Families!

It is hard to believe that June is here! We are loving the warm temperatures and playing on the big playground! A lot of birthdays happened in May, so now our class is full!

With all these new friends, we also have another teacher helping in our class, Miss Weiske. We are settling into our routine well and are continuing to learn colors, our names, shapes, Bible stories, how to go potty, and many other everyday things! We hope you stay happy and healthy as always, if you have any questions, please feel free to talk to us! It is such a joy to see your children learn and grow!

Sincerely,

Miss Green

THE PENGUIN ROOM

Hello Penguin families! This month has brought many changes to our class and the daycare as a whole. I'd first like to welcome Louis, Levi and Jaylynn to the Penguin room. We are very excited to have them move up from the Tiger room to learn and play with us. This month we celebrated Louis, Levi's and Miss Bott's birthdays! Thank you to those who brought special treat to share with us. I'd also like to announce that, I (Miss Ferguson) have been promoted to Assistant Director. Although I'll be taking on some more responsibilities, I will continue to teach in the 4 and 5's room. This month we learned about Mother's Day, jungle animals, fairytales and camping. We also learned the letters R, S, T, and U. With all the changes that have been happening in our room we have spent more time helping our new friends adjust to our routine. For the children who are in preschool the last day is as Friday, May 28th. We will be celebrating the friends who are graduating and heading off to Kindergarten on June 4th at 6 pm. I'm so very proud of how much the kids have learned and grown. It will be hard to say goodbye but I know they'll do great things! If you have any questions about graduation, the class or anything else please feel free to ask!

Thank you!

Miss Ferguson
