## NOTE FROM THE DIRECTOR

Shanna Hunter

I will be sending out an email shortly regarding the security of our building and Photo ID badges. Please watch for this communication as it is essential to our center going forward.

-Mrs. Hunter

## AUGUST BIRTHDAYS

Happy Birthday to...  
Ellie who is turning 5,  
Ezekiel who is turning 5,  
Miss Miner, and  
Miss Vue

## GENERAL REMINDERS

We will be closed Monday,  
September 6th, for Labor Day!

## DUCK'S

Infants

Hello Parents!

This last month has been fun for the infant room. Most of our baby friends are beginning to crawl and learning to roll over. We have been working on a summer art project with the babies and they are enjoying every moment of it!

-Miss Vue

## TURTLE'S

Toddler 1

Hello Parents!

In the month of July, we've been having lots of fun going outside whenever possible! We have been learning and practicing colors, ABC's, animal noises, as well as friend's and teacher's names. Everyday we sing lots of fun silly songs with actions. We are learning to share toys and to have gentle hands with our friends. Can't wait to see what we get to do in August!

-Miss Krogan

## SNAIL'S

Toddler 2

Hello Parents!

This last month has really flown by! All of our friends in the Snail Room are finally one, and everyone is learning so much! We're learning how to say lots of new words, each other's names, and animal noises! We've enjoyed doing lots of fun crafts, learning how to do simple puzzles, and have built many block towers. We're looking forward to see how much we continue to learn in this next month!

-Miss Miner

## TREE FROG'S

2's

Hello, Tree Frog Families!

We hope you are staying cool in this hot weather! We've been enjoying playing outside as the weather permits. We were even given a fun new bike toy for the playroom! Yay! The construction next door looks like it is finishing up, and the kids have loved to see them building, and of course, loved to see the big machines they used!

For our "Circle Time", we have been continuing to learn our names, colors, and shapes. The kids are so good at recognizing each other's names and many of them know their shapes and colors as well! We also love to read books, and are so grateful that the library brings us different and exciting books to look at every few weeks! While we miss our friends who are no longer in our room with us, we are very excited for a few new ones to join us in August!

We hope you enjoy the rest of your summer!

-Miss Green & Miss Scott

## TIGER'S

3's

Hello from the Tiger Room,

We have had a lot of fun learning about outer space and the ocean. We explored our creative sides through different art projects that we did.

We are working on using our voices to express our thoughts and feelings. We have gotten down telling others when we need space and to please leave us alone.

We added a new art station to our room. We really enjoy being able to color and create freely.

-Mrs. Garcia

## PENGUIN'S

4-5's

Hello Penguin Families.

Happy August! I hope the summer has been treating you well. Our penguins have been enjoying the warm weather. In the month of July we learned about outer space and the ocean. We spent time reading several planet books and talked about what it would be like to be an astronaut. We spent two weeks focusing on the ocean. We learned about the different kinds of creatures that can be found in the ocean and what they eat. We got a new sea life poster and made our own star fish. Of course, we still have been spending plenty of time outside. This summer we've been able to observe baby bunnies on the play ground as they grow. It was pretty neat for the children to learn so hands on.

Please remember to bring water bottles for your children as well as taking them home and washing them each night. If you have any questions or concerns feel free to ask.

-Miss Ferguson
