## DUCK'S

Infants 1

Hello Parents!

What a start we have had to the new year! Amidst sickness and cold weather, we have still had lots of smiles, giggles and new experiences.

In January, we welcomed two new friends Walker, Dahlia and Asher! This past month our littles ones have each been working on various things: rolling over, sitting up, scooting around and even walking! It's so exciting to see them learn and grow!

As for our classroom, we have been busy getting everything labeled and ready for three new babies starting in February. With all these new kiddos attending, Miss Sargent will be the assistant teacher in the room. We are both so excited to meet all the new babies and get into the groove of our nearly full classroom! Thank you for the opportunity to care for your kiddos - they truly are a blessing from the Lord! We look forward to February and hope that the new month finds you happy, healthy and warm.

-Miss Green

## CHICK'S

Infants 2

Hello Parents!

We've had some exciting things happen in our chick's room. A few friends, Declan and Graham, began eating baby food, while Taevyon and Luka get to start trying all the food on the menu! Owen has started scooting and crawling around. Every milestone is exciting! Can't wait to see what's next in February!

-Miss Mahlum

## TURTLE'S

Toddler 1

Hello Parents!

We are looking forward to many things in February! We are going to do some crafts for Valentine's Day, with painting and coloring! We are also going to try to get in the groove of the new dynamic of our room! Within the last month we have had 3 friends move up to the Tree Frog Room and we have 3 new friends join our classroom!

-Miss Krogan

## SNAIL'S

Toddler 2

Hello Parents!

This last month has been a very busy and exciting time in the Snail Room! One of our friends learned how to walk, and we had two friends turn two and move up to the Tree Frog Room! We sure are going to miss them. I am so excited for this next month! I have lots of fun crafts planned - including some Valentine's-themed crafts-and I'm excited to start some more complicated crafts now that the Snails are getting older. We're going to start working on our colors and shapes more often, as well as learning how to recognize what our names look like! Have a great February and Happy Valentine's Day!

-Miss Miner

## TREE FROG'S

2's

Hello, Tree Frog Families!

The month of January in the Tree Frog room was very eventful! We welcomed three new friends into the room: David, Myla and Gwendolyn. However, we had to say goodbye to Finley, Scarlett and Henry as they got to move up to the Tiger room. We will miss having them in our class but are excited to see them grow and flourish in their new room.

In the month of January, we focused on learning colors, shapes and got to read lots of new books!

In the month of February, we are looking forward to lots of valentine's day crafts, and hoping the weather warms up a little so the kids can play outside in the snow!

-Miss Scott and Miss Foster

## TIGER'S

3's

Hello from the Tiger Room,

It has been an exciting month. We have had some new students move up to join us and some students leave us to be in the penguin room. We are still working on this new transition and the new expectations that a new classroom brings. This past month we have been focusing on learning shapes, the ABC song, and counting to ten. Some of the class have all of these things mastered and are so helpful teaching the other students in the class. We enjoy our free play and using our imagination. We have missed being able to go outside. Hopefully the weather warms up soon so we can enjoy the snow before it is gone. This next month we are going to focus on mastering the skills we focused on in January while adding recognizing the first letter of our names. We will also be doing some fun Valentines crafts as well. Thanks for checking in.

-Mrs. Garcia

## PENGUIN'S

4-5's

Hello Penguin Families,

Happy New year! I hope you are all doing well and staying healthy. This year has been off to a crazy start with different sickness. I have been in and out of the class for a few weeks now, but I'm glad to be back and settle back into our routine.

This last month one friend moved up from the Tiger room. I'd like to welcome Finnegan. He has been adjusting really well to our class schedule.

Looking forward to February, I'm hoping to be able to spend some more time outside. Our class loves the snow, but unfortunately it has been too cold for us to go out. We will also be focusing more on communication and identifying feelings. We are coming together to create some goals to help us be better friends.

With the hope we'll get to be outside more, please make sure you bring all your child's winter gear as well as labeling it. We are not responsible for lost or stolen items.

If you have any questions or concerns, feel free to contact me.

-Miss Ferguson
