Friday June 3rd at 6pm, COTL Graduation (children graduating to kindergarten in the Fall)

Friday December 2nd at 6pm, COTL Christmas Concert (2-5-year old's)

**DUCK'S**

Infants 1

Hello Parents!

It's hard to believe that spring is almost here. February was another month full of changes in the Duckling Room. We have welcomed three new friends Asher, Liam and Charlotte, and are excited to have Miss Sargent as our assistant teacher. It's amazing to see how these little ones get around even though they are not yet able to walk or even crawl. Give them some tummy time, and they will roll or scoot around to where they want to go! They may not be able to get very far yet, but it's such a joy to see them take everything in and work on strengthening their muscles all the time. On another note, we would love to put your family picture up for your little one to see! To help us with this, you can either bring a picture in, or email one to the daycare. We are so grateful for the opportunity to care for your kiddos - they truly are a blessing from the Lord! We hope that this coming month finds you happy, healthy and warm.

-Miss Green and Miss Sargent

**CHICK'S**

Infants 2

Hello Parents!

This last month has been very exciting. It was my first month in the Chick's room, and it has been a pleasure getting to know every child. In February, we started working on sitting up, and crawling for some of the littles. While some focused-on tummy time!

February, we did a Valentine's Day craft, of painting their feet that every child loved!

In March we are excited to do a St. Patrick's day themed art, as well as focusing on some sensory play! Have a good March!

-Miss Scott

**TURTLE'S**

Toddler 1

Hello Parents!

We have had lots of fun this past month! We did a fun Valentine's project that I hope you all loved! We also have been doing more sensory-based art projects! For one of the projects, I put paint on a paper and then put that into a gallon ziplock bag so the kids could feel the paint through the bag! All of the Turtles really enjoyed it! We are looking forward to more art projects, including one for St. Patrick's Day, and to continue learning colors and animals/animal sounds during the month of March!

-Miss Krogan

**SNAIL'S**

Toddler 2

Hello Parents!

This last month sure has been a crazy time, with kids moving all over and lots of sickness. Hopefully March will be a bit calmer!

In this next month, we have two friends in the Snail Room that will be turning two and moving up to the Tree Frog Room! Happy Birthday Violet and Hendricks! Although we're going to miss them in our classroom, it has been exciting watching them grow and learn so much!

We have so many things to look forward to in this next month, including St Partrick's Day themed crafts, and hopefully being able to start spending more time outside on the playground and going on walks.

Happy March from us in the Snail Room!

-Miss Miner

## TREE FROG'S

2's

Hello, Tree Frog Families!

I hope everyone has been staying warm this winter!

I would like you to know we have some changes in the Tree Frog Room. Miss McLaurin is officially my assistant and she does amazing with the kids. We hope everyone is as excited as we are for the warm weather that is slowly approaching us. With that in mind we will be starting to ask about sunscreen.

Also, we would love for all of our kids to start potty training so if parents could get a head start on that we would appreciate it.

Stay safe and healthy!

-Miss Foster and Miss McLaurin

## TIGER'S

3's

Hello from the Tiger Room,

As we say goodbye to February let's recap on some highlights. We had fun making valentine's crafts. We hope the parents of our room enjoyed the valentine we made for them. We had such a fun time at our valentine's party. Thank you all for bring valentines and treats.

We have been working on scissors safety and how to use scissors. We will continue this in March as well. We are learning that we are not all at the same ability and that is ok. We all learn at different paces. We are still working on recognizing all of our shapes still. Some of them can be tricky to identify. We look forward to doing some St. Patrick day crafts in March.

If you have any questions or concerns, please reach out and discuss them with me.

-Mrs. Garcia

## PENGUIN'S

4-5's

Hello Penguin Families!

I hope you are all doing well and staying healthy! Our class had a great month! We learned about dental Health and Hygiene, Valentine's Day, Transportation, and Weather. The children enjoyed exploring new books as well as some fun crafts. Some new toys were donated to our room, and we've been loving them. I think the class favorite is our new spider man action figure.

Looking forward to March, we have some special days coming up! We will get to celebrate Hayden's 5th Birthday! As well as welcome Chloe to the Penguin room! My friends are good at making others feel welcomed, so I know she'll fit right in.

Just a few reminders. Please continue to bring snow gear. Although the weather is getting a little warmer, we still wear snow gear if there is snow on the playground. Since it has been so sunny. If you'd like to send sunglasses for your child to wear while outside feel free as some friends made comments to me about the sun hurting their eyes. We want to make sure they are protected and comfortable while playing. As always if you have any questions or concerns feel free to contact me.

-Miss Ferguson
