NOTE FROM THE OFFICE

Hello Parents,

Welcome to summer!

Please keep your eyes open for water day dates. This will come from your child's teacher. As a reminder when we have water days that you will need to provide swim wear and towel.

We are looking forward to warmer weather and being outside more.

If you have any question or concerns don't be afraid to reach out.

Shelby Bott

JUNE BIRTHDAYS

Happy Birthday to...

Graham and Taevyon who are turning 1

GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Friday June 3rd at 6pm, COTL Graduation (children graduating to kindergarten in the Fall)

Friday December 2nd at 6pm, COTL Christmas Concert (2-5-year old's)

DUCK'S

Infants 1

Hello parents!

It's June now, and it's hard to believe that we are nearly halfway through the year! Wow! May was another great month full of surprises and growth. First of all, I'm happy to announce that we FINALLY got to go on our first stroller ride of the year! It was only for about fifteen minutes, but we were happy to enjoy the warm weather and fresh air – even if it was quite humid.

We recently purchased some sensory items for our classroom and are excited to use them! We have also continued making art projects – along with cards for Mother's Day – and are looking forward to making little presents of some kind for Father's Day! While our walls are filling up with art projects, we would love to add some family pictures as well! You can help us with this by either bringing a picture in or emailing one to the daycare's email.

As you know, in May we celebrated Teacher Appreciation Week. Thank you SO much for all the ways you showed your appreciation for us. I know I truly felt loved and appreciated and I thank you for that! Your kids truly are a blessing from the Lord, and I feel extremely blessed to be a part of their lives and help them as they learn and grow.

As always, I hope this coming month brings you much happiness, health, and an abundance of sunshine!

– Miss Green

CHICK'S

Infants 2

Hello Chick Families,

This past month has gone by fast; we did a lot of exciting stuff in the classroom and all of your kiddos enjoyed them. We did a lot of sensory play with both our hands and feet. We painted with our feet as well as jumped in yarn. We also played with yarn in our hands! Multiple times this last month we went on walks and the kids really enjoyed it. Also, two friends began to crawl this past month, so we now have 6 movers which makes it very eventful every day!

During the month of June, we are looking forward to celebrating two birthdays here in the class. As well as hopefully spending more time outside as the weather gets warm. Have a great month of June!

–Miss Scott

TURTLE'S AND SNAIL'S

Toddler 1 & 2

Hello Parents!

It is so hard to believe that June is here! We have finally been enjoying the beautiful May weather! We have been going outside on the playground, going for walks and playing with and learning not to eat sidewalk chalk! :)

We have been busy continuing working hard with learning animal sounds and names, colors, learning the signs for "please", "more" and "all done" and doing lots of art projects!

We are so excited to continue being able to go outside when the weather is nice. If you'd like, you are more than welcome to bring any sun hats or sunglasses that the kids can wear outside! If you do bring these items, please be sure to try and label them so we don't get them mixed up with other kids' things!

Please let me know if you have any questions regarding the toddler rooms! :)

-Miss Krogan

TREE FROG'S

2's

Hello, Tree Frog Families!

I'm Miss Barrette. I'm so happy to be here! I am currently in school at UW-La Crosse. I am 1 year away from graduating with my bachelor's degree in Early Childhood-Middle Childhood Education! I chose this profession because I love to be around children and impact their lives in the most positive and meaningful way possible. My love for teaching is what brought me here to COTL. I have loved every minute of being with your children, and I can't wait to continue helping them learn and grow!

Miss Barrette

I'm Mrs. Hansen and I am the newest COTL Lead Teacher! A little about me is I am 26 years old. I graduated from WTC in 2018 with an Associate Degree in Education. I also just got married back in October 2021. My husband and I have 3 fur babies and 1 baby on the way! Our dog's names are Stella (Redbone Coonhound), Easton (Beagle), and Moose (German Shorthair Pointer). Our baby will be attending COTL in December and his name will be Clayton Devere! My favorite thing about working with kids is watching them learn new things every day and seeing their little minds at work trying to figure new things out! I am looking forward to meeting all the COTL families here at daycare! Thanks for allowing me to take care of your kids and be a part of the great team!

Mrs. Hansen

TIGER'S

3's

Hey there from the Tiger room!!

We have had another busy month of May. We have been enjoying the nicer weather by spending some time outside. We have celebrated a few different birthdays in our room. We have been doing some fun sensory play with vinegar and baking soda, corn starch and water, and shaving cream. We have been practicing our dexterity by creating sticker art. This next month we are getting two new classmates from the tree frog room. We are excited to have them join us on our adventures. We plan to focus on using scissors this month and working on identifying all of our shapes. We have some fun weeks of curriculum coming up. (Personally, I am most excited for dinosaur week) we hope to have a fun filled month. Thanks for checking in on us.

The Tiger room,
Mrs. Garcia

PENGUIN'S

4-5's

Dear Penguin Families,

Time seems to be flying by and June is already here. May has been a month of some transition for the penguins, with different teachers, but they have been doing great. We have been enjoying the nice weather and getting to use our back playground. As well as enjoying rainy days that we get to stay inside and play in the playroom and do art projects. With weather getting nicer day by day if you would like your child to have a hat or sunglasses, please feel free to bring them. I also ask that you bring your child a change of clothes since we seem to like puddles and dirty a lot! Whatever you plan on bringing we just ask that you label all your stuff so we can make sure everything goes home with the correct kid.

In June we will be celebrating graduation for Hayden, Henry, Levi, Louis and Jaylynn. Congratulations! We look forward to getting to spend the whole summer with them before they leave to go to school.

We are also looking forward to more art projects, using chalk outside and getting to know our new teacher Mrs. Culligan.

Thank you for being patient with us it is very much appreciated. If you have any questions or concerns, feel free to talk to me or send me an email as I should be in my office more often.

Miss Bott
