## NOTE FROM THE OFFICE

Hello!

I wanted to take a moment and say THANK YOU! I appreciate your patience and flexibility with all the construction going on. I know it was an inconvenience and I am so thankful for everyone's positive attitude

Shanna Hunter

## AUGUST BIRTHDAYS

Happy Birthday to...

Winston and Sumner are turning 1

and

Owen is turning 3

## GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Tuesday, August 16th is the next Splish Splash Water Day!

Friday December 2nd at 6pm, COTL Christmas Concert (2-5-year old's)

## DUCKLINGS

Infants 1

Hello Duckling Families!

July has flown by, and with it has come many changes. We now have eight babies in our classroom, which means our room is now full! Getting into the new swing of things has kept us on our toes, but I'm happy to say that I believe we are adapting quite nicely! The babies are all so sweet, and we love seeing their interactions with each other - and with us! Our little Ducklings have been learning so many things and have lately been working especially on motor skills. One recently started waving, another discovered blowing raspberries, they all move around and wiggle in so many ways, etc., etc.! They are so cute and it's so rewarding to watch them as they learn and grow!

Thank you for the opportunity to pour into these kids' lives - they truly are a blessing from the Lord! We are so excited for what August will bring!

-Miss Green

## CHICKS

Infants 2

Hello Chick Families,

The month of July just flew by! In this past month we had 4 friends move up to both toddler rooms! Wow, now there are only 4 in the class, which makes it easy for the kids to play with one another.

We had a couple milestones this past month. One of our friends started to walk, and they're loving it. We also have another friend eating solids, so we have 3 eaters!

In this past month we enjoyed a water day, soaking up some sun, and played with sensory string as well as bottles. In the next month we are excited for more warm weather and hoping it's not too hot for more walks.

-Miss Scott

## TURTLES

Toddler 1

Hi parents!

This month we have been adjusting to our full class size of 8 toddlers! We have all been doing very well.

We have been doing some coloring with markers, chalk outside, looking at our books and learning new words and practicing our animals and animal sounds! It's hard to believe the summer is about halfway over! We will continue to be going outside whenever the weather allows us to.

As always, please let me know if you have any questions or concerns. :)

-Ms. Krogan

## SNAILS

Toddler 2

Hello Snail Families,

I hope you all had a good July! It's been a very busy month for us. We welcomed Winston into our classroom and celebrated two birthdays! A couple of our favorite things we did this month was watch the construction going on outside. We also enjoyed water sensory play.

Can't wait to see what August brings!

-Miss Sargent

## TREE FROGS

2's

Hello, Tree Frog Families!

July has come and gone in the blink of an eye! I hope you all had a great 4th of July! We celebrated the 4th with your kiddos by making firecracker footprint art. In July we also learned about the ocean, so naturally we sang lots of baby shark and slippery fish. We also started making Tree-Frogs with their handprints to hang on our walls to display while they are in our room. The important things we worked on in July was using our manners when asking for things and using nice hands with our friends while playing, and I'd say they have improved quite a bit since last month. We have also been working a lot on potty training skills too! To end the month and move into August we had a Fun Water Day that included sprinklers, lots of water balls and other toys. We will be starting off August by learning how to eat healthy. We will offer healthy snacks all week and possibly make a food pyramid with the kids. Another thing we will be doing in August is being active while also trying to stay cool. A summer activity for this is our water day! Can't wait to see what August has in store for the Tree Frogs!

-Mrs. Hansen and Miss Barrette

## TIGERS

3's

Hello from the tiger room!

We have had an enjoyable month. We have learned about sea creatures and created the ocean on our classroom wall. Come check it out! We have enjoyed the beautiful summer weather. Water was a big hit, and we had a blast. We are working on recognizing all of our colors and shapes still. We sing our ABC's and are working on counting up to ten. This next month we plan to continue to work on our ABC's and counting up to ten. We are excited for our next water day. We are really working on using our words and expressing what we want instead of just screaming. We are also working on not using our hands to hit. We are working on ways to express our anger without throwing or hitting things. Thanks for checking in.

Mrs. Garcia

## PENGUINS

4-5's

Hello penguin parents,

We have been having such a fun summer. The last two weeks we have been learning about oceans and all the wonderful things that grow and live in the ocean. We are also working on knowing our letters without having to sing the whole alphabet, we are doing this by playing some super fun games and having a blast learning. I am looking forward to a wonderful rest of the summer and all the fun it will bring.

Mrs. Culligan
