

# CRAYON TRIBUNE

Monthly Newsletter of Children of the Lord Daycare & Pre-School

## FEATURED THIS MONTH:

Birthdays

General Reminders

Note from the Office

Classroom Updates

## SEPTEMBER BIRTHDAYS

Happy Birthday to...

Leopold turning 1, Lily & Julia turning 2, and Henry & Leighton turning 4! Also to Miss Cross & Mrs. Parcher!

## GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Friday December 2nd at 6pm, COTL Christmas Concert (2-5-year old's)

## NOTE FROM THE OFFICE

Hello!

Goodbye Summer and Hello Fall!

With weather starting to drop please make sure your child has appropriate clothing to wear. If you bring jackets for your kids make sure to drop them off on their hooks by the main entrance.

I Hope everyone had a great summer!

Miss Bott

## DUCKLINGS & CHICKS

Infants 1 & 2

Hello Families!

Another month has come and gone and we now have another baby attending and one baby has graduated to the Toddler 1 room - welcome, Annika and congrats, Sumner!

August showed us even more growth in these kiddos and they are moving and grooving! Many are starting to crawl in different ways, roll all around, scoot along, and are also starting to eat more purees and table foods.

On another note, as most of you know, Miss Scott had her last day with us this month. We are so grateful for the time she spent with us and the love and care she poured out on these kids. Thank you, Miss Scott!

We look forward to all the ways they will continue to learn and grow in September - they truly are a blessing from the Lord! Enjoy the rest of your summer!

Miss Green

## TURTLES

Toddler 1

Hi parents!

This summer flew by, I can't believe August is past us already!

This month we enjoyed painting, playing/drawing with chalk, using crayons and markers, learning to ride the bikes and using new equipment outside and water day! We had many friends who didn't enjoy water day last time, enjoy it this month so that was very fun! :)

We have been reading more books about animals, colors, shapes and objects. A few of our friends will be turning 2 in the next couple of months so we are trying to soak in all of the time we can with each other!

As summer is coming to an end and fall beginning, please start bringing a light jacket or some warmer clothes for when we go outside, especially in the mornings. I will also be going through everyone's extra clothes and sending home summer clothes, so if everyone could make sure to bring back some warmer extra outfits for us to keep in the classroom, that would be great!

As always, please let me know if you have any questions or concerns.

-Miss Bott

## SNAILS

Toddler 2

Hello Snail Families,

Summer is almost over already, but August had been the best way to close it out!

The snails enjoyed lots of music each day and dancing. The classroom favorite is Moana, some of our friends began to enjoy it more than previous times, with a few exceptions. On the playground we played with new playsets and bouncy balls. Lawnmowers and cozy coupes are still the favorite toys. Bubbles and puzzles are the best way to entertain all 8 at once and we are getting very good at helping each other clean up toys.

A lot of books we've been reading are about kindness and how to be a better sharer. They have interactive pages and lots of sensory exposure.

With fall on the way, summer clothes will be sent home when the mornings start to get cooler. Please bring light jackets and warmer clothes for the playground each day. Also, if we could stock up on extra warm outfits that would be much appreciated.

Thank you so much for all you do and your flexibility! Please reach out with any questions or concerns you may have!

-Miss Wallen

## TREE FROGS

2's

Hello, Tree Frog Families!

It is almost Fall! So excited for leaves, pumpkins, and everything Fall.

I will be the 2's room teacher for the foreseeable future and Miss McLaurin will be my assistant; we make an excellent team!

Recently we sent home a potty-training memo so if you did not get it or if you didn't get a chance to read it, please do so. It explains why we do what we do when it comes to potty training in the Tree Frog Room. We now have 6 friends in undies with a few more soon to be, exciting times! A reminder that your child cannot move up to the 3 year old room unless they are fully potty trained (10 consecutive days while in care with no accidents) so the earlier the better.

I am so proud of all of your kiddos; they have been troopers through all of the transitions of the different teachers in the classroom. We have a good routine going now... less fighting and lot more playing together and sharing our toys. We will be working on more art projects as the month of September progresses so be looking for those.

Thank you,  
Mrs. Hunter

## TIGERS

3's

Hello from the Tiger room!

We have been enjoying the last month of summer. We had so much fun at water day. We have also enjoyed having pajamas day. We have been working on using our words instead of screaming. An example of a sentences we are working on is: "I am playing with this toy please give it back." We have enjoyed playing with playdoh and shaving cream. Lately we have been using scissors more.

We look forward to fall and everything that entails. We have some fun crafts and activities planned. Our main focus is still play based learning but we will start more structured circle time. We will sing our ABC's, count, go over the weather and read a story. We are excited for this next month.

Thanks for checking in,

Mrs. Garcia and the Tigers

## PENGUINS

4-5's

Hello Penguin Parents,

We have had one amazing summer! We have had three super fun water days, done some fun chalk art, had some cool treats, and so much more!

We have some friends who are leaving and going to big school which is sad but we know they will do a great job there.

We are getting ready to start learning even more about our letters, numbers, shapes, and letter sounds to get ready for big school!

These last few weeks we have learned about insects, adventure, and being active and healthy!

I am so looking forward to continuing to teach and love on all of your kiddos, and have a blast while learning.

Mrs. Culligan
