NOTE FROM THE OFFICE

Greetings!
With temperatures supposed to be dropping in October more layers will be needed. Please make sure that your child comes with weather appropriate clothing each day. There will be hooks labeled by the entrance for 2-year-olds and up for your child's coats, hats and gloves. Also, as a reminder to bring extra clothing in case of an accident or getting dirty.

Thank you,
Shelby Bott

GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Tuesday, October 31st is dress up day for Halloween - Just a reminder nothing too scary and no weapons.

OCTOBER BIRTHDAYS

Happy Birthday to...

Walker, Lydia and Dahlia turning 2,
Holden and Ingrid turning 3,
And
Neva turning 5.

DUCKLINGS

Infants 1

Hi Duckling Parents,

I'm Ms. Evans. I just wanted to take the time to introduce myself as the new co-lead teacher in the Duckling room! I am a mom of 2 little girls, a 6-year-old and an almost 8-month-old. I have some experience working with children and am pursuing a degree in human services with a concentration in family and children. I am originally from the area and just moved back in January after living down south for a few years. I am so excited to get to teach and watch the babies grow while I'm here!

Happy Fall!

It's officially fall! We have been having such a fun time in the duckling room with all the new things we are learning every day! Like holding our bottles, crawling, fine motor skills, pulling ourselves up. It's been such a joy to watch all the growing and learning as well as all their personalities develop.

We have some fun fall craft ideas planned for your kiddos. We also made cards for the grandparents in nursing homes for grandparents' day!

We will be creating a wall of pictures of the kiddos in our classroom. These pictures will include their picture day picture as well as any other pictures that we have taken/ will take that are cute or silly of your kiddos. We do ask that if you have an updated family photo, we would love to have that for our photo wall.

As always if you have any questions we would love to answer them and thank you for giving us the awesome privilege to watch your babies! We love them all so much!

Thank you,
Mrs. Culligan & Miss Evans

TURTLES

Toddler 1

Happy October from Toddler 2,

This month is bringing more cooler weather. Make sure you leave a jacket for your little one when we go outside and warmer spare clothes. We will be learning about fire safety and making cards for the fire fighters. Other topics we will be learning about are sports, colors, and pumpkins. I'm looking for craft ideas for each one.

October also brings Halloween. We are looking forward to seeing everyone dressed up for the day. I'm excited to dress up, too.

Happy Birthday to everyone with an October birthday. For those who celebrate Halloween, please help my youngest celebrate her birthday by trick or treating.

Hope you have a wonderful October and Halloween,

Mrs. Hutchison

SNAILS

Toddler 2

Hello Snail Families!

Hope everyone enjoyed their Labor Day weekend. In the past month of September, we welcomed Lydia to our room. We worked on our body parts a lot this month. For example: hair, ears, eyes, mouth and nose. We made cards to send to a nursing home for Grandparents Day. We had a fun dress up week this month. Marvel Monday, Twin Tuesday, Hawaiian Wednesday, Throwback Thursday and COTL Color Friday.

In the month of October, we will be celebrating three birthdays in this room. Lydia, Dahlia and Walker will be turning 2 this month! We will be focusing more on colors for the month of October. We will be celebrating Halloween this month. Trick or Treat! We will be spending more time outside before the snow hits.

-Miss Ganyo and Miss Burr

TREE FROGS

2's

Hello,

Wow! The summer has flown by, and we are already entering October. September was a fun month in the Tree Frog room.

At the beginning of September, we celebrated Julia's 3rd birthday, and she moved next door to the Tiger room. We also had several friends really progress in potty training and we are very excited about that! We've been enjoying having a fairly consistent classroom the past few weeks, and we look forward to the new dynamic we will have when our older toddler friends start joining us in the coming months.

Several days in September brought us cooler fall weather, and we were very grateful for the many days we could just head outside without having to apply sunscreen first!

The kids have really enjoyed doing circle time and love to show off their knowledge and learn new things. We've been reading plenty of books and teaching some new songs to them, which they really enjoy! We've also had fun with stickers, coloring, and learning how to tape things together. This month we've also started letting the older kids use a cup with no lid, and they've been doing such a good job!

We look forward to all that October has to bring to us and we hope that you and your families stay happy and healthy! As always, feel free to reach out with any questions.

Miss Green and Miss Sargent

TIGERS

3's

Hello, Fall and Hello Tiger Families,

I wanted to first start off by welcoming Julia to the Tiger classroom! We are so excited to have you be a part of our class! This coming week we will be turning our classroom into a giant apple orchard. I'm looking forward to seeing all the creative ways each child will decorate their own tree!

We have also been working on fun ways to walk in the hallway to help our bodies stay calm and focused. Sometimes we like to carry stuffies, while other times we love to make music using instruments.

In the upcoming month, we have our very first field trip of the year! YAY!!! What a perfect field trip to tie into our season of fall. The Tigers will be able to go to a corn maze, it is going to be such an exciting day for all. As the cold weather slowly creeps in, please include a sweater in the extra clothes bag that your child brings to class.

"Play gives children an outlet to express their emotions and feelings and helps them to develop a sense of who they are."

PENGUINS

4-5's

Hello!

It is finally Fall! This is my absolute favorite season; I love the colors, the smells, the cooler weather, the pumpkins and apples, and my list goes on.

I am so very proud of your children; they continue to exceed my expectations in our preschool sessions each morning! Your children are extremely smart and catch on quickly! Even though I am making worksheet packets each week, they are not required to finish the worksheets; I have children that LOVE the work and want to finish it all, and others that are not interested at all, so I just have them do a sheet or two here and there. We are learning the months of the year, the days of the week, the seasons, a letter each week, a number each week, a color each week, and a shape each week; it is a lot to learn, but we talk about it every day throughout the day so it's not so bad. It makes for a super fun and full circle time each morning. We are counting down to our field trip to Hidden Trails Corn Maze Friday October 6th, so very exciting to finally be going again...it has been 5 years since our last trip there! I hope we have a lot of parent volunteers!!

As always, please let me know if you have any questions or concerns.

Sincerely,
Mrs. Hunter
