NOTE FROM THE OFFICE

Keep in mind Wednesday, February 14th is our Valentine's Day Party! If you would like to bring treats for your child(ren)'s friends, it has to be store bought treats with no nuts. A memo will be sent out closer to the day with more information about the party.

-Miss. Bott

FEBRUARY BIRTHDAYS

Happy Birthday to...

Elijah and Opal both turning 1

Easton who is turning 4

And Miss Lunde

GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Wednesday, February 14th is Valentine's Day

We are Closed Friday, April 5th!

Friday June 7th at 6pm, COTL Graduation (children graduating to kindergarten in the Fall).

DUCKLING'S

Infants 1

Happy February!

We have had a wonderful start to the new year! Two new babies started in December and they quickly acclimated to our classroom. We have one baby in January turning one and 2 more in February; so much growth and fun in our classroom this past month. We are learning to roll, walk, use sign language to communicate, and so much more.

We are asking everyone to bring, or send in via email, a family photo if you don't already have one. We will also be going through your child's extra clothes to send home sizes that are too small and asking for more clothes in the current size your child is wearing as back up clothes in their bins.

As always, it is such a privilege for us to watch, snuggle, and love on your babies and we are so honored to be able to do that.

Thank you,
Mrs. Culligan and Mrs. Hutchison

TURTLE'S

Toddler 1

Hello Turtle Families!

There were a few birthday celebrations in the toddler room for January; happy birthday Liam, Miss Ganyo, and Miss Roths. We practiced being nice to our friends, using gentle touches, and sharing toys as well as practicing our colors and names. In the month of February, we will continue practicing all of those things!

Valentine's Day is coming up quickly so we will be working on fun crafts to take home. With the nicer weather, we will be going outside a lot in February as it has to be above 20 for the toddlers to have outside time.

Miss Ganyo

TREE FROG'S

2's

Wow! Welcome to 2024! And what a welcome it's already been!

At the beginning of January, we took our time enjoying the few days left of the holiday season - this included watching our last Christmas movie for awhile! The second week of January, I took some time off, and was excited to come back refreshed, recharged, and ready to go for the new year! I came back the third week, and so did cold winter weather! We spent the week indoors, playing to our hearts content, coloring, and enjoying circle time (as always). The last full week brought a heat wave! I mean, at least that's how it felt to Wisconsinites in January. We had so much fun going outside and playing in the snow for as long as we could - the kids sure slept well at nap time!

This month at circle time, we've continued looking at colors and shapes, along with letters, numbers, and what our different fingers are called. I'm so amazed at how smart these kids are. Just the other day, I had a child bring to me a little kitchen toy that looked like a can of tuna. The little girl showed it to me and told me that it was an oval (which it was!) I was so impressed! For our Bible story this month, we've been learning the days of Creation. We count each day on our fingers, and then say a brief explanation of what God made that day - and we put some actions to it! The kids have been loving it. We've also been learning some new songs - these kids sure do love to dance and jump around! Lastly, we have loved reading the book, "Polar Bear, Polar Bear, What Do You Hear?" The book goes through several wild animals and their sounds. I put a playlist together of each animal making their sound, and the kids love to hear them and laugh at their noises.

January has been a great month to start out the year, and I look forward to seeing what February will bring. As always, if you have any questions, feel free to let me know! It's such a pleasure to see and help your children learn and grow. They are such a blessing from the Lord!

Love, Miss Green

PENGUIN'S

4-5's

Hello Penguin Parents,

We had a lot of fun in the month of January; dance parties (favorite music is Trolls or Penguin Room Rock) and on Friday's watching Secret Life of Pets, my favorite movie...they loved that movie!

We also learned a lot in January! In the beginning of the month, we learned about Creation and Winter. We had fun painting mittens and snowflakes and when we went outside, we made snowmen. We also learned about Arctic Animals and Community Helpers in the second half of the month.

We celebrated one birthday in January, happy birthday David. The Penguins ended up earning a juice box and fruit snacks because they received enough stickers on the sticker chart for being good helpers and good listeners...way to go Penguins! Our next prize is cookies, they are still working on earning those stickers

I am so glad I get to watch your kids grow and learn throughout the year! February brings warmer weather and hopefully no snow pants! The kids loved getting outside to play in the snow and now playing with the slush! We will also be doing a lot of heart projects in anticipation of Valentine's Day! Our classroom party will be Wednesday February 14th, be on the lookout for a special note.

Thank you,
Miss Burr
