Classroom Updates

## NOTE FROM THE OFFICE

Hello Parents,

I hope everyone had a great February!

Just a reminder when entering the building please wear your parent ID Badges and do not let anyone in the building.

-Miss. Bott

## MARCH BIRTHDAYS

Happy Birthday to...

Eleanor turning 2,  
Madelyn is turning 3, and  
Hendricks and Violet are turning 4,

and

Miss Green and Miss Burr

## GENERAL REMINDERS

Here are a few dates to keep in your calendar:

We will be closed Friday, April 5th.

Friday, June 7th at 6pm, COTL Graduation (children graduating to kindergarten in the Fall)

## DUCK'S

Infants 1

Happy March!

We are so enjoying this warmer weather that we have been having.

We have had the opportunity to take the older kiddos out on walks while the sun has been shining. With having such a variety of ages in our infant room we have been doing such a wide range of activities.

With our babies we have been doing a lot of tummy time, singing to them, talking to them, and of course all the snuggling.

With our older kiddos we have gone to the playroom, went on walks outside, done sensory bins, and are working on pointing to things like our noses.

We continue to look forward to the warmer weather and being able to take walks with the babies. That being said, as the weather gets warmer, we are going to be going through your child's backup clothes to make sure we have clothes that are weather appropriate as well as clothes that they have outgrown. So, if you see clean clothes in their bags home that is why. We will also be sending a note home on my day sheets.

As always, it's such a pleasure and an honor to get to take care of your sweet children.

Thank you,  
Mrs. Culligan & Mrs. Hutchison

## TURTLE'S

Toddler 1

Hello Toddler Families!

In the month of February, we celebrated Valentine's Day! We focused on using gentle hands and being nice to our friends. We did some crafts and we talked about shapes and colors this month. We were able to spend little more time outside, it has been nice weather for winter in Wisconsin.

In the month of March, we will be celebrating a birthday! Happy Birthday Eleanor! We will be losing a friend this month, have a good time in the Tree Frog room Chase; we will miss you! However, we will be welcoming a new friend this month, welcome Woodrow! As always, we will continue to focus on using gentle hands and being nice to our friends. Hoping the weather starts to warm up more and we can spend more time outside.

-Miss Ganyo & Miss Nalett

## TREE FROG'S

2's

Hello from the Tree Frog Room,

It feels like it was just the other day that we celebrated entering a new year, but now here we are - stepping into March! I would say that we're also stepping into spring, but with the way the weather behaved in February, one would almost think it will be summer soon! Seriously though, February provided us with many wonderful opportunities to play outside. I remember one afternoon, it was around 60 degrees, and we didn't even need jackets! I have loved getting to watch the kids explore the playground and enjoy the sunshine - and I look forward to more of that in March (hopefully!)

February was a month full of changes! Besides the weather being much warmer than usual, we also welcomed a few new staff to our team! Specifically, I'd like to welcome Miss Anderson to the Tree Frog room as my assistant teacher. She fits right in and we're so happy to have her! Despite some changes, there has also been much that has stayed the same! We still love playing, coloring, and circle time! In circle time, we've been continuing through the Bible and have read about the Fall, Noah's Ark, and the Tower of Babel. We've also continued to learn some new songs and the kids love singing and dancing to them! Speaking of new things, I found some fun "new" books for us to read together! In particular, we've really been enjoying Eric Carle books - who is, in fact, the author of the polar bear book I mentioned in my last newsletter. (I just thought I'd throw that out there if you were looking for some book recommendations.) In other news, we've continued to see some amazing progress in potty training and are so excited about that! If you have any questions about potty training, I'd be happy to talk with you about it! In fact, if you have any questions at all, please feel free to reach out. :)

As March comes upon us, I look forward to all that it will bring and am excited to see your children learn and grow even more! I feel so blessed to be able to help watch over and teach these little ones - they truly are a blessing from the Lord!

Love, Miss Green

## TIGER'S

3's

Hello from the Tiger room,

February flew by so quick. We had our Valentine's Day party (which was so much fun!!)

Thank you, parents, for the treats:) There are a couple of kids interested in learning how to spell their names and write our ABCs, so we've been practicing that. We've been able to enjoy a lot of the nice warm weather, and we try to get outside as much as possible when the weather is nice.

We're still working on our days of the week and we're all getting so good at remembering what day it is. A fun thing we've been doing while waiting in the bathroom is count to ten in Spanish!! Surprisingly they are also very good at remembering that. I hope you all enjoyed your February!

Miss Sargent

## PENGUIN'S

4-5's

Hello Penguin families!

We had so much fun in the month of February. From playing puzzles to doing flash cards on objects and animals during circle time. On Fridays we have been watching one of my favorite childhoods shows Tom and Jerry. It's nice to hear the laughter fill the classroom as we watch it.

We learned a lot about hygiene, transportation and weather in the month of February. I went on vacation this month to Nevada and had a great time talking about the state with the kids.

It's crazy how nice it has been outside and nice that we have been only using a jacket outside.

I look forward to the weather staying nice and getting to see the penguins keep growing.

Miss Burr
