NOTE FROM THE OFFICE

Happy 4th of July!!

It is finally summer; we have had such fantastic weather, earlier than normal this year, which has been great! I wanted to take a moment and thank all of you, our parents. You continually trust us to take care of your little ones and I am so grateful. It is our goal to care for your children in the best environment possible, outside of the home. We endeavor to make sure they are well cared for with excellence, knowing that they are a blessing from the Lord.

JULY BIRTHDAYS

Happy Birthday to...

Declan is turning 3 and
Chase is turning 4.

as well as

Mrs. Culligan and Mrs. Hunter

12th)

Tuesday, August 13th Splish
Splash Water Day (Rain Day
Friday, August 16th)

Friday, December 6th at 6pm,
COTL Concert (2-5yr olds)

DUCK'S

Infants

Hello Ducklings families!

Every day we are growing and learning new things. In the month of June, we celebrated Father's Day. We tried new sensory such as playing with water. For the infants that were here they all seemed to enjoy it a lot. Also, in the month of June two of our infants got to move up to the toddler room. We will miss having Opal and Elijah in our room but are very thankful that they will be right next door so we can still see them everyday!

In the month of July, we are going to welcome Mrs. Konopacki and new friends Theo and Ezra. Are very excited to have two new babies in our room!

We love being able to love on your babies, help them learn, and watch them grow.

Miss Nalett and Mrs. Hutchison

TURTLE'S

Toddler

Hello Toddler Families!

In the month of June, we said goodbye to Mara, you are missed Mara, however, we welcomed Elijah and Opal to the classroom. We had a water day on the 4th, and everybody had a blast! We celebrated Father's Day this month, and we sang Wheels on the Bus a ton this month. As Always, we worked on patience and being nice to our friends.

In the month of July, we'll be celebrating Independence Day. We will be saying goodbye to Jace this month. You will be missed! Friendly reminder: Water Day on July 9th, they will need towels, swimsuits, water diaper and water shoes or shoes you don't mind getting wet.

Also: Every last Thursday of the month is Pajama Day!

-Miss Ganyo

TREE FROG'S

2's

Welcome to summer!

June was another beautiful month, filled with many nice days that we were able to go outside. We had a blast with our first water day of the season, and we look forward to another this month and one more in August. On days where there wasn't such fair weather, we enjoyed various activities inside! One day, we had a blast playing with flour and water. It was so fun watching the kids experience how the consistency changes if you add more of either ingredient. And if I'm being honest, Miss McLaurin and I had just as much fun playing with it as they did! Now, as fun as it was, clean up was... quite the feat. We look forward to discovering more sensory activities that aren't quite as messy!

While we didn't celebrate any birthdays in June, we did have some major room changes! Declan, Sumner, and Lydia all moved up to the Tiger Room and Annika moved up into our room! I mentioned in my last newsletter that Mara turned two as well. We had lots of fun with her when she visited our classroom, but we did say a sad farewell to her family as she will no longer be attending COTL. We wish them all the best! It's always bittersweet when children move into the next room or leave the center, but through our sadness, there is joy knowing that they are continuing to grow and moving on to the next part in their journey of life. With all these changes in our classroom, we are looking forward to July and seeing what our new dynamic will be.

As always, if you have any questions, please reach out! We love partnering together with parents to help your children grow and learn in the best way possible. I count it a privilege to be their teacher - they truly are a blessing from the Lord!

We look forward to all that July has to bring us - see you then!

Love, Miss Green

LION'S

3's

Happy Summer!

Its officially summer! We have had our first water day, and the kiddos had such a blast!

This month we have done a lot of fun things in our class; some projects, learned about camping, and we got to have some smores (which was a mess) but all the Lions had the best time. We have had some friends leave but we got to celebrate with them on their last days. We used our imagination and played with all the stations together in one big game of house! It is such fun to watch your kiddos imaginations bloom and grow. There have been so many dance parties and shadow dance parties as well. This last month has been full of lots of fun, creativity, and imagination.

In July we have another water day planned that the Lions are so excited for. We are already working on a few crafts for the Fourth of July and Summer in general. We plan to do some fun science experiments that will be fun with sensory play, and even though it is summer, we are still doing circle time and learning about our shapes, numbers, letters, and colors. We also practice the sound of letters and writing out letters so that when we go to the penguin room, we are prepared for all the fun of preschool. All your kiddos are so incredibly smart.

We are welcoming in some new kiddos into the Lion room, so as we adjust to having new friends in our room and adjust our schedule a little for the summer, we will have a wonderful opportunity to talk about being patient and learning more about our emotions. As always thank you for allowing me to teach and love on all of your kiddos. It is a great pleasure to get to see them learn and grow every day.

Mrs. Culligan

PENGUIN'S

4-5's

Hello Penguin families!!

We had a long month of June. We got to have our first water day of the summer. They had so much fun splashing around and running through the sprinkler. We will be having 2 more this summer so please make sure you keep your eye out for them. In June we also had our graduation ceremony. We had a great time at the ceremony; it is sad that their time here is coming to an end but I'm so excited for all the next adventures they will come across. This month we had to say goodbye to Wes and Neva, however, Leo and David have joined our class. With new kids leaving and joining our classroom we will be readjusting to what is most beneficial to all students. One of our themes was camping where we got to learn a lot about camping, campfires and s'mores. The kids really enjoyed pretending to make s'mores and eating them.

Looking into July a new friend, Kayli, will be joining us just for the summer. We will be making cards for our soldiers at Fort McCoy for the 4th of July. We hope to be spending a lot of time outside as long as it is not too hot, so with this in mind, please make sure you bring your child a water bottle that they can take to the playground. I also wanted to mention that if they want to bring sunglasses or a hat to wear outside that is totally okay.

As always if you have any questions, please feel free to ask, I will do my best to answer!

Miss Burr
