NOTE FROM THE OFFICE

Hello Parents,

Welcome to summer!

Please keep your eyes open for water day dates. This will come from your child's teacher. As a reminder when we have water days that you will need to provide swim wear, swim diaper (if applicable), shoes that can get wet and a towel.

We are looking forward to warmer weather and being outside more. With this in mind please bring your child a water bottles every day.

Shelby Bott

GENERAL REMINDERS

Here are a few dates to keep in your calendar:

Friday June 7th at 6pm, COTL Graduation (children graduating to kindergarten in the Fall)

Splish Splash Water Dates:

Tuesday, June 4th

Tuesday, July 9th

and

Tuesday, August 13th

Friday, December 6th at 6pm, COTL Concert (2-5yr olds)

DUCK'S

Infants 1

Happy summer from the infant room!

Looking back in the month of May we did a lot. We made cards for Mr. Hunter to celebrate School Lunch Superhero Day, for Nurse Appreciation Week, and cards for Mother's Day. We wanted to thank all the kids and parents who helped us to celebrate Teacher Appreciation Week! Also, with the weather getting warmer our older infants have been able to go outside and enjoy the small playground.

In June we are looking forward to celebrating Father's Day and Flag Day. We wish all the fathers and father figures a fun filled month. We will be making an art project to thank them. During the month of June, Opal and Elijah will be moving up to the toddler room, we will miss having them in our class but grateful that they will be right next door. With them moving up two new infants will be starting in our room and we can't wait to meet them.

We hope everyone has a fun and safe summer.

Mrs. Hutchison and Miss Nalett

TURTLE'S

Toddler 1

Hello Toddler Families!

The month of May has been eventful! We celebrated two birthdays in our room. Happy Birthday Annika and Mara! We celebrated Mother's Day. We were closed for Memorial Day. We celebrated Teacher Appreciation Week and Lunch Superhero Day this past month. Thank You to all the families that helped celebrate Teacher Appreciation Week this last month.

In the month of June, we will be celebrating Father's Day! We are going to have a Water Day on June 4th! Friendly reminder: please bring a swimsuit, swim diaper, towel and swim shoes or shoes you don't mind getting wet. We will be saying goodbye to Mara this month, you will be missed Mara. Annika will be moving up to the Tree Frog room this month, and we will be getting Elijah and Opal moved up. Welcome Elijah and Opal.

Friendly reminder: Last Thursday of every month is Pajama Day!

-Miss Ganyo and Mrs. Wind

TREE FROG'S

2's

Hello again!

Here we are, starting the last month of the first half of the year. Crazy to think about, right? Summer is just around the corner, but let's recap the springtime that May brought us. I remember looking forward to (hopefully) many days of sunshine. Well, we did have many days of sunshine, but I would also say that we had just about the same number of days of rain! Although it can get us stir-crazy when we have to stay in, the moisture has been so beneficial for the world around us, and we have loved playing in the luscious green grass and plentiful dandelions - even if we might end up a little wet afterwards.

Much of May was the same as April - we played outside and in, said hi multiple times a day to the babies, and made great progress in potty training. We didn't have any kids move up last month, but we did have some birthdays. Happy third birthday to Owen, and happy birthday to the newest two-year-olds, Annika and Mara!

May held two major special events for COTL. First, we had Teacher Appreciation Week. THANK YOU so much for all the cards, gifts, and kind words. We felt so extremely loved, blessed, and most definitely appreciated! :) Secondly, we celebrated Mother's Day! We hope that all of our mothers felt loved and appreciated on this special day (and every day!) set aside for mothers. June also has some special things in store for us. Not only are we planning a water day and celebrating Father's Day this month, but we will also be holding our annual preschool graduation! This will be a very momentous occasion for me personally, as the graduates this year are the ones who were the youngest in the daycare when I first started working here. It has been an incredible experience to see them grow up, and it will definitely be bittersweet to watch them move on to the next step in their young lives!

As always, if you have any questions, please let us know. We love helping your kids learn and grow and want to help them as best as we can! It's such a privilege to be a part of their journey through life. Children truly are a blessing from the Lord! ~ Psalm 127 ~

Love, Miss Green and Miss McLaurin

LION'S

3's

Happy Spring (almost summer)

We are having such a wonderful time in the lion room learning and playing and using our imaginations. It has been so wonderful to be able to go outside lately for the Lions to run and get out a lot of energy that has built up over the wintertime. We are very thankful to have a big playground on our property.

We are so excited for the water days coming up this summer. There will be one water day every month this summer. As a reminder every child will need to bring swimsuits, a towel, and separate pair of water shoes. (This way they don't have to wear their wet shoes all day) We will also have some fun summer projects!

I hope you all enjoyed the wonderful Mother's Day Projects and we have started work on our Father's Day projects.

As always, it's such a pleasure to watch your kiddos learn and grow. As well as to be a part of their lives as well.

Thank you,
Mrs. Culligan

TIGER'S

3's

Hello from the Tiger room,

The month of May has gone so fast!

We're excited for the warmer weather that we should be getting and hopefully not as many rainy days!

This month we enjoyed playing outside and learning how to play hide and seek (they still like to shoutout where they are hiding). We're also learning our parent's real names. I explained that we only need to use our mommy's and daddy's real names if we are lost and need to tell a grown up.

We had a lot of fun playing in the new lion room and seeing all the cool toys. We also had a lot of things we got to celebrate in the month of May. From Nurses to School Luch superheroes to Mothers!

For the month of June, we are looking forward to having our first Water Day of the summer. This means all kids need to bring their swimsuit, water shoes and towel. We are also looking forward to celebrating Father's Day!

Miss Sargent

PENGUIN'S

4-5's

Hello Penguin Families!

May has been jammed packed with things for the kids to do. We celebrated not 1 but 4 birthdays! Happy Birthday again to Scarlett, Chet, Wes and Hattie I can't believe they are all 5 now. We also celebrated Nurses Appreciation Day, School Lunch Superhero Day, and Mother's Day. I wanted to say thank you to everyone who helped us celebrate Teacher Appreciation Week, I really appreciated it!

In the month of May we have also been preparing for our COTL graduation!! From practicing walking in slowly to the music to remembering to smile at the camera. We even got to practice with a small audience since some of the penguin room classmates are not graduating this year. We got to design our own graduation caps, and everyone got to make graduation shirts with their handprints.

With some of these rainy days we got the chance to learn about camping and got to eat a s'more (no toasted marshmallow but it was still good!)

Looking into June we will be having our first water day of the year! With this being said please remember to bring their swimsuits, towel and an extra pair of shoes that can get wet. We will also be celebrating Father's Day this month and will be making them a gift!

June also means it's our graduation with 9 kids graduating! It has been a while since we have had this many kids graduate so this year it will be in the Sanctuary instead of the playroom. Graduation also means we are saying goodbye to Wes and Neva as that will be their last day. We will truly miss seeing your faces every day, but we know that they will do great in their next adventure!

Thank you for giving me this opportunity to help them grow!

Miss Burr
