Infant Room

Hello Duckling Families!

My name is Mrs. Konopacki and I'm the new lead teacher in the infant room! I've been the assistant teacher since June and recently accepted the lead teacher role. Before working in the daycare, I was a foster parent through La crosse county and underwent extensive training on how to properly care for and love on children of all ages. I'm so excited to care for your babies!

In the month of December, Cameron moved up to the toddler room and soon Milo will as well. I am sad to see them go but excited to continue to watch them grow as they're right next door! We welcomed a new friend, Owen, to our classroom. He's a wonderful addition and everyone is loving having a little baby in the daycare again! We did Christmas crafts and learned about the birth of Jesus through Bible/story reading!

I would like to wish you all a very happy and safe holiday season. I can't wait to see what this next year will hold for our babies! I pray it's full of love, fun, laughter, growing and learning!

Toddler Room

Hello everyone! Many of you already know me but let me take a moment to reintroduce myself. My name is Mrs. Culligan, and I'm thrilled to announce that I will be joining Miss Sargent in the Toddler Room starting in January! I'm married to an incredible man, and we have three wonderful children, with one more on the way.

I'm so excited to join this classroom and have some fantastic plans in store! Our days will be filled with engaging activities like crafts, Storytime, singing, and sensory play, all within a comforting and consistent routine. Most importantly, I can't wait to nurture, snuggle, and teach your amazing little ones.

It's going to be such a joy to watch them grow, learn, and thrive in the months ahead!

Tree Frog Room

Wow! Can you believe that we are already starting a new year? It feels like just yesterday we were preparing for 2024, and now, here we are at the end of it. Over the past year, we've seen a lot of growth, challenges, achievements, and changes. While we are certainly excited for the new year, let's recap our final month of 2024.

December was a month full of activity! Firstly, our friend Warren moved to the Tiger Room! We are sad to see him go, but excited for him to learn and grow with the three-year-old class. As for the Tree Frog Room, things were a bit different due to the holidays, but we had fun while doing our best to go with the flow. We started the month off with the theme that "Little Guys Can Do Big Things Too." We enjoyed learning about David - a young boy in the Bible who did great things for God! We learned that when God helps us, we can do big things too! The next week, we enjoyed learning about woodland animals. We read several books that included them, such as The Mitten and Annie and the Wild Animals by Jan Brett. We really enjoyed making a bunch of animal sounds! The next two weeks were all about Christmas! We had fun making a snow globe craft, ornaments for our paper tree, and Christmas Cards for our parents. While we've had fun getting into the Christmas spirit, we've also been learning about the true meaning of Christmas - how Jesus came to earth, born as a baby to save us!

We hope you all had a wonderful Christmas and we look forward to all the New Year has to bring! As always, if you have any questions, please feel free to speak with me or email the daycare. It truly is a privilege to work with your children - they are a great blessing from the Lord! See you next year!

Love, Miss Green

Tiger Room

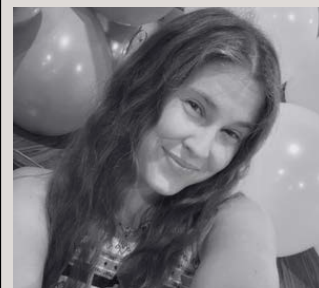

Hello Tiger families!

My name is Miss Nalett, I was previously the lead teacher in the infant room but as of mid/late December I got the opportunity to be the new Tiger room teacher. I am so excited to get this chance to get to know the tigers more and help them learn.

In December we got together with the lions and bumblebees to decorate gingerbread men. While we left to clean up, the gingerbread men ran away, and we had a great time going on a gingerbread man hunt to find them. It was fun to see the excitement from all the kids when they finally found them.

Starting the New Year there will be a lot of changes. From changing where our classroom location is to adding some more friends to our room. I look forward to seeing what all is in store for us as we learn and grow together.
