Birthdays

General Reminders

Classroom Updates

NOTE FROM THE OFFICE

Please watch for sign up papers posted outside each of your children's classrooms for the week of Thanksgiving. I am asking if your child will be in attendance Wednesday 11/22/22 and Friday 11/23/22. If your child/children will be in attendance Friday 11/24/22 you are required to sign up by Wednesday 11/15/22. Please write down the drop off time as well as the pickup time for both days, so I can schedule staff accordingly.

Thank you,
Shanna Hunter
COTL Director/Administrator

NOVEMBER BIRTHDAYS

Happy Birthday to...
Isabelle and David turning 1,
Asher, Liam and Charlotte who
are all turning 2,
and
Brennan who is turning 3.

As well as

Mrs. Hutchison

GENERAL REMINDERS

Here are a few dates to keep in your calendar:

We are closed for Thanksgiving on Thursday, November 23rd.

And

We will be asking if your child will be attending Friday, November 24th.

DUCKLINGS

Infants 1

Hello!

I know there has been a lot of change recently in the infant room, but I wanted to assure you that it has not affected the babies' schedules or routines in anyway.

We work so diligently to keep them on a solid routine to not only make their day better but when they do move to the toddler room to make that transition easier as well.

With Thanksgiving coming this month we look forward to the fun Thanksgiving crafts that we will be doing as well as some fun Thanksgiving songs to sing with the babies.

We have so many crawlers and eaters in our class now it's so much fun to watch them discover, grow, and learn how to play and interact with the other babies.

As always thank you for in trusting your precious babies to us. It is our joy to get to snuggle, care for, and teach them during the day. If you have any questions, please let us know!

Happy early Thanksgiving!!

Thank you,
Mrs. Culligan & Mrs. Hutchison

TURTLES

Toddler 1

Hello Snail and Turtle Families!

In the month of October, we became one toddler room instead of two toddler rooms. Also, in the month of October, we celebrated Halloween and three birthdays! Lydia, Dahlia and Walker all moved up to the Tree Frog room! We will miss having them in our class but happy to still see them around. We focused on colors a lot this month by talking about what color the toys are and talking about colors during art projects. We worked on using our words, having nice hands, sharing and being patient.

In the month of November, we will be celebrating three more birthdays! Liam, Charlotte and Asher will be turning two, happy early birthday! It is crazy how fast time goes by. We have two weeks of dress up this month to talk about colors. So, we are going to keep focusing on colors this month. Charlotte and Asher will be moving up to the Tree Frog room and we will be gaining a new friend, David this month. We are very excited for the changes coming up!

-Miss. Ganyo and Miss Burr

TREE FROGS

2's

Hi Parents!

November is upon us, and with it, cold weather! We did, however have some gorgeous days outside during October, and enjoyed several rainy ones doing activities inside.

We had several birthdays in October, and we welcomed Lydia, Dahlia, and Walker to our classroom! It's been a fun challenge figuring out our new class dynamic and teaching these newest additions the ways of our room. Holden turned 3 and moved right next door to the Tiger room. We will miss you! Ingrid also more recently turned 3, but we are glad we get to keep her with us for a while longer.

As previously mentioned, we did some fun activities this month! We got to explore a pumpkin and take a look at the seeds inside! We also spread them on the table for the kids to play with and smush around, but a lot of them weren't too sure about doing that! We then put some of the pumpkin seeds into Ziplocs and the kids had fun squishing them that way. We also got to paint pumpkins this month! One of our parents donated pumpkins for the Tree Frog kiddos and we had a blast painting them. Thank you so much!!

October was another adventurous month in the Tree Frog room. It's always so exciting and rewarding to see how these kids are learning and growing. A lot of them have started talking a lot more and it is so precious to hear their little voices.

As always, if you have any questions, please don't hesitate to talk to me, Miss Sargent, or email the office. Your children truly are a blessing from the Lord, and we are so privileged to be able to care for them. We hope November finds you happy and healthy!

Love, Miss Green and Miss Sargent

TIGERS

3's

Happy November Tiger Families

What an eventful month! Our first field trip, dress up week, and Halloween! The tigers also got to help paint our classroom pumpkin and help take the seeds out. Lately we've been listening to a lot of Emily Arrow songs they love our new classroom song "Are we there, Yeti." If you are ever driving or at home and want to hear some giggles turn the song on!

For the month of November, we will be getting our class ready for winter. The tiger classroom will have a station added to dress up so they can practice putting on their snow gear. As the leaves fall off the trees outside you might notice the trees in our classroom are also changing. The tigers keep asking "is it snowing yet?" They are very excited for the snowy weather!

Lastly, please remember to pack hats and gloves every week along with their jackets.

"Children learn as they play; most importantly, in play, children learn how to learn." Fred Donaldson

-Miss Roths

PENGUINS

4-5's

Hello Penguin Families!

October was a fun filled month of Fall adventures

The first week we ended up scooping out pumpkin guts with spoons and our hands, washing the seeds, baking the seeds, and tasting them. Not everyone was a fan of a lot of the steps, but it was a fun experience! We had a fire truck visit us this week because the next week they were super busy for Fire Safety Week, lots of fun talking to the fire fighters and sitting in the truck!

The second week we talked about Fire Safety. We practiced: STOP, DROP, & ROLL! They thought it was hilarious. We talked about why we practice fire drills at daycare and that is something they should talk about at home with mom and dad to see what they should do; never go back inside even if it's for our favorite stuffy or our pet or anything. There is only one of us, but we can always buy another stuffy.

The third week we talked about Sports: Basketball, Volleyball, Soccer, Golf, & Football. Lots of fun coloring and playing with those balls and talking about the rules in each of those sports. A lot of our friends knew a lot about many aspects of those sports.

The last week of October we learned many Mother Goose rhymes. They thought they were pretty silly. Humpty Dumpty, Little Miss Muffet, Hey Diddle Diddle (they laughed and laughed at this one), Jack & Jill, and Hickory Dickory Dock. Lots of fun memories of when I learned them as a child
November brings out the colder weather, 2 dress up weeks, around the world, as well as celebrating Thanksgiving! I look forward to telling you more about our adventures next month, but until then, stay warm and safe.

Mrs. Hunter & The Penguins
