### Infant Room

Hello Duckling Families, and happy April!

Can you believe how quickly March flew by? It's hard to believe the first quarter of the year is already behind us! March was full of exciting moments—new friends, new milestones (we've got some little walkers, babies almost sitting up, and lots of rolling over!), and so many special memories made together.

This April, we're thrilled to welcome a new friend to our class—Kingston! We can't wait to get to know him and see how he adds his own unique spark to our classroom.

As always, we're looking forward to fun crafts, joyful songs, storytime, and learning about God's love for us. With Easter just around the corner, we'll be sharing the story of Jesus' resurrection with our little ones, helping them begin to understand this very special part of our faith.

We're excited for another month of growth and joy!

Thank you,  
Mrs Konopacki

### Toddler Room

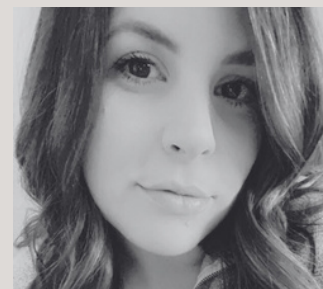

Hello Turtle Families!

I'm excited to share that as of March, I've had the wonderful opportunity to serve as your child's new toddler teacher. It has been such a joy watching and supporting your little ones as they grow and explore the world around them.

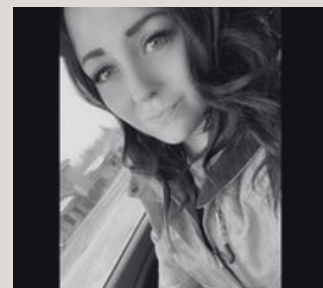

In March, we celebrated St. Patrick's Day with a fun and creative craft activity, and the children had a blast expressing their creativity. As we move into April, we're looking forward to even more exciting activities, including a variety of new crafts and plenty of outdoor walks. With the weather warming up, we'll be spending more time outside, enjoying the fresh air and all the beauty of the season.

Thank you for the opportunity to work with your amazing children—I'm excited for all the fun and learning ahead!

Warmly,  
Miss Nalett

### Tree Frog Room

Hello!

It's hard to believe March is already over! So much has happened over the past month. Firstly, Eleanor turned three! We had a great time celebrating and are excited for all she'll learn in the Tiger Room! I also celebrated my birthday this month, and when I told the kids that it was my birthday the next day (Saturday), they immediately started singing to me and wishing me a happy birthday. Not going to lie, I teared up a little. Your kiddos are so sweet, and I count it such a privilege to be their teacher!

Curriculum-wise, we started March off strong with Dr. Seuss Week and had a blast dressing up and reading several of his books. We finished the theme by watching "The Cat in the Hat." Next, we had two weeks learning about birds. When it was nice out, we enjoyed going outside and looking to see what kind of birds we could find. We also enjoyed listening to bird calls and practicing some ourselves! It was so cool to see pictures of local birds as well as ones from around the world! Lastly, we celebrated the start of spring. We listened to different sounds of spring and talked about what we can find outside during springtime.

As always, we are continuing to work on potty-training, using our words, having kind hands, etc. If you have any questions, please reach out by emailing the daycare or speaking with Mrs. Hunter or myself. Your kids are truly a blessing from the Lord! We can't wait to learn and grow more in April!

Love, Miss Green

### Tiger Room

Hello, wonderful families!

I am so excited to introduce myself as your child's teacher! My name is Mrs. Culligan, and I have been a part of the COTL family for nearly five years. I have three amazing kiddos at home and am expecting another little one this July! It is such a joy to be in the classroom, watching your little ones grow, learn, and explore the world around them.

#### What We've Been Up To

This past month, we've been diving into the world of birds! The children have loved learning about different bird sounds, and we even created some fun bird-themed crafts to bring their learning to life. It has been wonderful to see their curiosity soar!

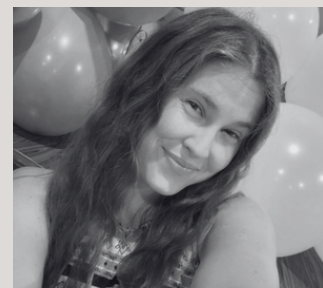

#### What's Coming Up

With the arrival of spring, we are shifting our focus to all the exciting changes happening outside. We'll be making fun seasonal crafts and incorporating brain breaks throughout the day to help reset our bodies and minds, keeping our learning fun and engaging.

Another exciting update—warmer weather is on the way! We are thrilled to be able to spend more time outdoors, running, exploring, and soaking up the fresh air. Please make sure your child has appropriate outdoor gear so they can enjoy our time outside comfortably.

Thank you for your continued support! I am so grateful to be a part of your child's learning journey and look forward to a fantastic season ahead.

Warmly,  
Mrs. Culligan
