

Notes From the Office:

Hello

As we approach March, we are excited for the upcoming month and all the fun activities we have planned for the children! We look forward to continuing to nurture and support their growth.

Thank you for your continued trust in us. Here's to a wonderful month ahead!

Birthdays

We would like to take a moment to say Happy Birthday to all the following students and Staff.

Happy 1st Birthday to Ezra and Theodore

Happy 3rd Birthday to Eleanor

Happy 4th Birthday to Madelyn

Happy 5th Birthday to Hendricks and Violet
and

Happy Birthday to Miss Burr
and Miss Green

Weather

Please make sure your child brings the following items: warm clothes, warm back up clothes in case of an accident, coat, boots, hat, and waterproof mittens (as gloves can be hard to put on).

Fridays

Friendly reminder to take home your child/rens backpack, water bottle, and items in their mailboxes.

CRAYON TRIBUNE

Issue 3 March 2025

The Year Ahead!

Here are some future dates to mark on your calendar:

Friday, April 11th - Closed

Thursday, May 1st -Spring Concert at 6pm

Monday, May 26th - Closed

Thursday, June 5th - COTL Pre-School Graduation at 6pm

Friday, July 4th - Closed

Monday, September 1st - Closed

Thursday, November 27th - Closed

Friday, November 28th - Hours change to 7am-5pm

Friday, December 12th - Christmas Concert at 6pm

Wednesday, December 24th - Closed

Thursday, December 25th - Closed

Infant Room

Happy March, Duckling Families!!

I can hardly believe February has come and gone already—what a whirlwind of a month! This month, we were thrilled to welcome a new friend into our classroom: Declan. He's such a happy, curious little guy, and his joyful presence has been a wonderful addition. The babies are all adjusting so well, and they love sitting together, gazing at each other, and cooing in delight!

As we head into the first week of March, we're excited to introduce another new friend, Mae! We can't wait to get to know her sweet personality and watch her reach new milestones. Ezra will be transitioning to the toddler room as he turns 1 on March 20th—happy birthday, Ezra! We will miss him, but we're happy he's in the room next door so we can still see and play with him. And let's not forget about Theodore, who will be celebrating his first birthday on March 27th—happy birthday, Theo!

We're looking forward to a fun-filled March with more crafts, stories, songs, and, of course, reminding the children daily how much of a blessing they are to us and their families.

Thank you for trusting me with your precious little ones. It's truly an honor I hold close to my heart.

- Mrs. Konopacki

Toddler Room

Dear Turtle Families,

We can't believe how quickly time is flying by! Our little learners have been growing and exploring so much, and we are so proud of all they are accomplishing.

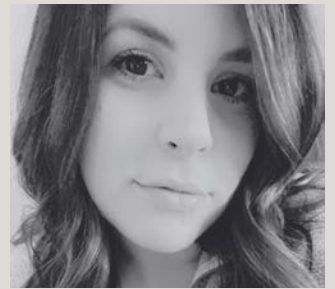

February was filled with love and learning! We had such a wonderful time celebrating Valentine's Day with sweet treats, fun crafts, and lots of smiles. Along with all the heart-shaped fun, we have been busy learning about colors, numbers, and the alphabet. The children love singing songs and having dance parties—music is such a fun way to learn and move!

Books have also been a big part of our days, and we enjoy cuddling up for story time. It's amazing to see how engaged the children are as they listen and point to pictures. Reading together builds language skills, imagination, and a love for books that will last a lifetime!

As we move into March, we are looking forward to the warmer days ahead! Getting outside to run, play, and explore nature is something we all enjoy, and we can't wait for more sunshine and fresh air.

Thank you for your continued support—we love watching your little ones learn and grow each day!

Warmly,
Mrs. Culligan and Miss Sargent

Tree Frog Room

The Tree Frogs had a full and fun February!

This month, we welcomed two new friends to our classroom. Elijah and Camri. Welcome! They are such a joy and have been a great addition to our class!

We learned a lot over the past month. The first week was Health and Hygiene week. Ironically enough, that was the week that several friends in the daycare got sick with a stomach bug. As much as we wish everyone had stayed healthy, it did provide an unexpected opportunity to learn first-hand about good habits that can help us stay healthy.

The next week was Valentine's Week! We had lots of fun talking about love! We read books highlighting love from and for: family, friends, and Jesus! We also discussed how it is important to show love and kindness to everyone.

The third week of February we learned about transportation. There are so many ways people get around! We had fun reading books, looking at pictures, and watching videos of cars, planes, boats, buggies etc! Something unrelated, but special that we did this week, was play in the snow - indoors! It was too cold to go outside, so we brought the outside in! The kids got to practice using a spoon to scoop snow into cups - they had a blast and did a fantastic job!

Finally, we ended the month learning about weather. We enjoyed spending some time looking and stepping outside to see what kind of weather we had that day! We even were able to play on the playground and go on a walk - which we hadn't done in a long time due to cold or wet conditions.

As always, we continue to work on pottyng, communicating, and many other elementary skills these little ones have yet to learn or master. If you have any questions, please feel free to talk to me, or email the office. They are a wonderful blessing from the Lord! We'll see you next month!

Love, Miss Green

Tiger Room

Hello Tiger Families!

February was such a fun month here at the daycare! We had a wonderful time celebrating Valentine's Day with a special party filled with love, laughter, and, of course, lots of sweet treats. The children had so much fun making Valentine's cards and crafts for their friends, and it was heartwarming to see how much kindness and excitement they shared.

In addition to our Valentine's Day activities, we also took advantage of some beautiful weather and spent time outdoors.

As we move into March, we're excited to keep the fun and learning going! We'll be focusing on more creative crafts and hands-on activities that will help the children explore their imaginations. Whether they're painting, building, or creating something new, we'll continue to encourage them to express themselves and develop their fine motor skills.

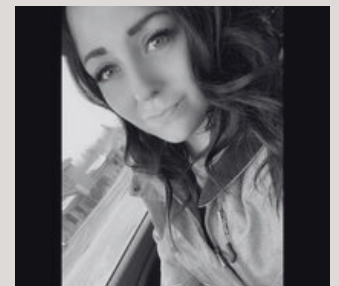

Of course, learning is always a top priority, so we'll also be introducing new concepts and themes to keep the children's minds growing. The first week of March we are excited to celebrate Dr. Seuss week. Please make sure you keep your eyes open to an email with the dress up days.

As always, if you have any questions or concerns, please feel free to reach out. We're looking forward to another month of fun, learning, and growth with your amazing little ones!

Warm regards,
Miss Nalett
