### Infant Room

#### Hello Duckling Families!

As we reflect on April, it's bittersweet to watch Ezra and Theo move up to the next classroom — we'll miss them dearly, but we're so excited to watch them continue growing and reaching new milestones!

In our classroom, we've been busy practicing rolling from back to front and front to back. We've also been working hard on building core strength, helping everyone get closer to sitting up all on their own!

Looking ahead to May, we're thrilled to welcome some new little girls into our classroom! With more friends joining us, we are equally excited to welcome back Miss Roths to the infant room! With two teachers, we're looking forward to even more story times, fun art projects for Mother's Day, and hopefully more walks outside as the weather warms up.

Thank you so much for trusting us with your precious little ones — it's a responsibility and a joy that we do not take lightly!

With gratitude,  
Mrs. Konopacki

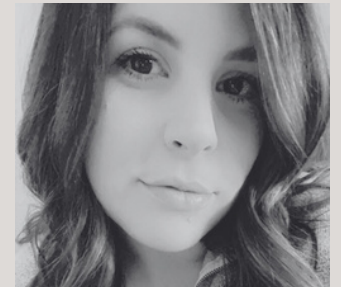

### Toddler Room

#### Hello Turtle Families!

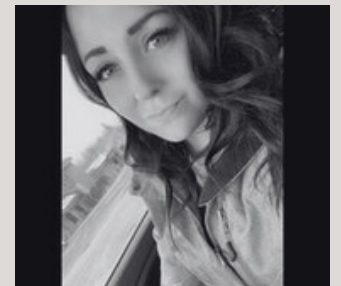

During the month of April, we were excited to welcome our new assistant, Miss Cruz, to our classroom! The children have been spending lots of time outdoors, either going on walks or playing on the playground whenever the weather has been nice. We have also been practicing how to walk together in a line (a "walk-a-dile") each time we leave the classroom, helping the children learn patience, order, and teamwork.

Looking ahead to May, we are excited to celebrate Mother's Day with special activities and crafts to honor all of our wonderful moms. We will continue to take advantage of the beautiful spring weather by enjoying more walks and outdoor playtime. We look forward to a fun and busy month full of creativity, celebration, and fresh air!

### Tree Frog Room

Wow! How is it May already? This year feels like it has been flying by! Let's recap April.

Over the past month, we've had some changes to our room! Annika moved up to the Tiger room, Dakari had his birthday and joined us, and we welcomed a brand-new friend, Hunter! We've also enjoyed getting to know the new teachers that have joined our staff.

For curriculum, we started the month off strong learning about pond life! We had lots of fun looking at pictures and videos of ponds and their inhabitants. We especially enjoyed all the noises the animals made! The next week we learned about camping, and then it was fairy tale week! During fairy tale week, we got to meet Elsa! We had fun listening to stories and taking pictures with her. The last full week of April, we celebrated the hope of Easter - how Jesus died and rose again to save us from our sins! We had lots of fun learning this month, and also lots of fun practicing for our spring concert!

As always, if you have any questions, feel free to talk with me or Mrs. Hunter, or email the daycare email. It's such a privilege to teach your precious children - they truly are a blessing from the Lord!

Love, Miss Green

### Tiger Room

Dear Tiger Families,

We've had such a wonderful and busy month in our Tiger Room! Our curious little learners have been exploring so many fun themes and activities — it's been an adventure every day!

#### Pond Life Adventures

We started the month learning all about pond life! The Tigers loved discovering frogs, turtles, ducks, and fish. We read stories, sang songs, and even pretended to be frogs and ducks.

#### Camping Fun

Next, we "went camping" right inside our room! We talked about tents and everything you need for camping, sang campfire songs, and even made s'mores — yum!

#### Fairytale Magic

Our classroom turned into a fairytale land with castles, dragons, and magic! We read classic fairytales, dressed up like princes, princesses, and brave knights, and even acted out some of our favorite stories. The children used their imaginations so beautifully!

#### Easter Excitement

To celebrate Easter, we enjoyed crafts, egg hunts, and learning about springtime. The Tigers practiced sharing and taking turns talking about our Easter's and made colorful art projects to take home.

It's been a joyful, laughter-filled month, and we are so proud of all the learning and growing we see every day. Thank you for sharing your amazing little Tigers with us!

#### Looking Ahead:

Stay tuned for next month's adventures — we can't wait to see where our learning will take us next!
