

Notes From the Office:

Hello Families,

As the weather continues to warm up, we kindly encourage you to send your child to daycare with a labeled water bottle to help them stay hydrated throughout the day.

Please also take a moment at pick-up to ensure you're taking home the correct water bottle, as many children have similar ones. Clearly labeling your child's bottle helps prevent mix-ups and keeps everyone healthy and safe.

Thank you for your cooperation!
Miss Bott

Birthdays

We'd like to take a moment to wish a very Happy Birthday to the following students and staff members!

May your special day be filled with joy, laughter, and lots of fun.

Happy 2nd Birthday to Baylee,
4th Birthday to Declan

and

Happy Birthday to Mrs. Culligan,
Mrs. Hunter, Mrs. Sadlier, and
Miss Ly

Happy Birthday

Weather

Summer is Here!

With the arrival of summer, please ensure your child comes to daycare dressed in weather-appropriate clothing to keep them comfortable during outdoor play. We also recommend sending a spare set of clothes in case of spills or accidents. Feel free to pack hats and/or sunglasses to help protect your child from the sun while they're enjoying time outside.

Thank you for helping us keep your little ones safe and comfortable this season!

CRAYON TRIBUNE

Issue 7 July 2025

The Year Ahead!

Here are some future dates to mark on your calendar:

Friday, November 28th - Hours change to 7am-5pm
Monday, December 8th - Christmas Concert at 6pm
Wednesday, December 24th - Closed
Thursday, December 25th - Closed

Infant Room

Hello Families!

June was a lovely month in our Infant Room! We were so excited to welcome a new friend—Onyx—to our classroom. He has been such a calm and observant addition, and we're already enjoying getting to know him.

Looking ahead to July, we're thrilled to welcome another little one—Lachlan! We can't wait to learn all about his unique personality and watch him grow alongside his new friends.

This month, we're looking forward to plenty of summer fun! We'll be enjoying colorful crafts, story time snuggles, sing-alongs, and of course, lots and lots of bubbles—a favorite in our room!

As always, thank you for sharing your precious little ones with us. We're honored to be part of their early learning journey.

With joy,
Mrs Konopacki

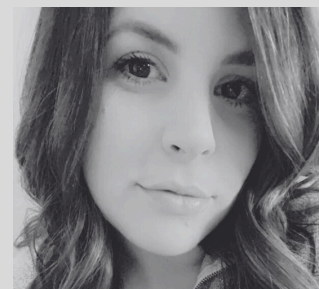

Toddler Room

Turtle Families

Hello, my name is Miss Roths, and I am thrilled to be the new lead teacher of the toddler room. After a rejuvenating maternity leave, I am eager to return and make a positive impact on young lives. I am passionate about creating a nurturing environment where children feel safe, loved and encouraged to explore. Children, like flowers, also need sunlight and water to grow. You can catch the turtles basking outdoors as long as the weather permits.

June was a fun-filled month, celebrating all the fathers and taking time to make crafts. Then the turtles got to get their flippers wet for their very first water day of the summer! July is going to bring lots of pop and color as we get close to celebrating Independence Day!

All the best
Miss Roths

Tree Frog Room

Hello and welcome to July! It's crazy to think that we're halfway through the year already! A lot of things happened in June - let's talk about it!

We covered many topics in June. We learned about our emotions and ways to manage them, summer activities, dinosaurs, and sports! We had a great time practicing different sport maneuvers, such as kicking and throwing balls.

We also had some special things take place in June! Miss Burr helped the kids make a cute craft for Father's Day! We hope you had a wonderful time celebrating fatherhood.

Halfway through the month, we welcomed Slone from the toddler room, as he turned two! Happy birthday, Slone!

Another special event was Water Day! The Tree Frogs had a great time, as usual. Finally, we are enjoying the fact that we have officially entered summer! Despite all the rain as of late, we are glad for summer and look forward to sunny days where we can get outside.

As always, please reach out to us with any questions you may have. We take partnering with you seriously and truly want the best for your kiddos! They are a wonderful blessing from the Lord, and I count it a great privilege to help shape their lives! We hope you have a wonderful July!

Love, Miss Green

Tiger Room

Hello families!

We've been having such a fun-filled summer so far in our classroom! The children have been busy learning, laughing, and exploring new themes together. Here's a peek at what we've been up to:

Summer Fun – We kicked off June by talking all about summer! From sunshine and sandals to ice cream and swimming, the kids loved sharing their favorite warm-weather activities.

Dinosaur Discoveries – One of our favorite weeks was dinosaur week! The class learned about different types of dinosaurs, pretended to be paleontologists, our roaring dinosaur songs were a big hit too.

Sports Week – During sports week, we got moving! We played and talked about soccer, basketball, football, and relay races, and tried out some fun movement games that helped us practice teamwork and taking turns.

All About Emotions – We spent time learning how to recognize and talk about our feelings. Through stories, songs, and role-play, we practiced using words to describe how we feel and how to be a kind friend. We're so proud of how the children are growing emotionally and socially!

Water Day – We had our first water day this month and it was a blast! The smiles on their faces said it all. We're already looking forward to the next one!

Construction Excitement – The children have also LOVED watching the construction trucks outside! Every day, they've been pointing out diggers, dump trucks, and cement trucks.

A Little Note from Mrs. Culligan

As some of you know, I will be going on maternity leave starting July 15th as I get ready to welcome a new little one into my family! It's been such a joy spending this time with your children, and I will miss them so much while I'm away. I'll be cheering them on from home and can't wait to see everyone again when I return!

With love,
Mrs. Culligan
